MEDIA STATEMENT: Lunch with Minister Bates, August 2012

On 7 August 2012 Barton Deakin's Brisbane office held a lunch with around a dozen of its clients and non-clients from the ICT and related business sectors around the country. The lunch was hosted by Gerard Paynter (MD - Qld) and Sallyanne Atkinson (Chairman - Qld) from Barton Deakin's Brisbane office. Minister Ros Bates was a guest at that lunch.

Given the number of companies represented at this lunch (and the fact many were competitors), issues specific to the individual companies and government decisions that may have affected them were not discussed. As such, no activity that could be defined as lobbying activity under the Queensland Lobbyists Code of Conduct took place at this lunch.

Barton Deakin always ensures its own compliance with the Code in all forms of its contact with the Queensland Government.
