	Transitional provision for Water Reform and Other Legislation Amendment Act 2014	18 19 20 21 22
	839 Restriction on entitlement to use underground water—Act, s 334ZP	23 24
	(1) This section applies in relation to a mineral development licence or mining lease if, before the commencement—	25 26 27

-
- (a) either— 1
- (i) an environmental authority was 2
granted in relation to the mineral 3
development licence or mining 4
lease; or 5
 - (ii) an application for an 6
environmental authority in 7
relation to the mineral 8
development licence or mining 9
lease was made but not decided; 10
or 11
 - (iii) if an environmental authority in 12
relation to the mineral 13
development licence or mining 14
lease had not been granted or 15
applied for—there is a notified 16
coordinated project in relation to 17
the licence or lease; and 18
- (b) the entity who is or will be the holder 19
of the mineral development licence or 20
mining lease did not hold, but would 21
have been required to hold, a water 22
licence or water permit to take or 23
interfere with underground water in the 24
area of the licence or lease if the taking 25
or interference were to have happened 26
during the course of, or as a result of, 27
the carrying out of authorised activities 28
for the licence or lease. 29
- (2) Section 334ZP does not apply to the holder 30
of the mineral development licence or 31
mining lease until the holder has an 32
associated water licence to take or interfere 33
with associated water in the area of the 34
licence or lease. 35
- (3) For the purposes of section 334ZP(8) and 36
(9), an associated water licence is taken to be 37

	a water licence.	1
(4)	This section applies whether the mineral development licence or mining lease was granted before or after the commencement.	2 3 4
(5)	In this section—	5
	<i>associated water</i> means underground water taken or interfered with in the circumstances mentioned in subsection (1)(b).	6 7 8
	<i>associated water licence</i> see the Water Act, section 1250B.	9 10
	<i>notified coordinated project</i> means a coordinated project under the <i>State Development and Public Works Organisation Act 1971</i> for which—	11 12 13 14
(a)	an environmental impact statement is required; and	15 16
(b)	the Coordinator-General has publicly notified under section 29 of that Act that an EIS is required for the project; and	17 18 19 20
(c)	either—	21
(i)	the Coordinator-General has publicly notified under that section that comments on the draft terms of reference are invited; or	22 23 24 25
(ii)	if the Coordinator-General has not publicly notified that comments on the draft terms of reference are invited—the terms of reference are finalised under section 30(3) of that Act.	26 27 28 29 30 31

1250A Application of division

- | | |
|--|----|
| | 1 |
| (1) This division applies in relation to a mining tenure | 2 |
| if, before the commencement— | 3 |
| (a) either— | 4 |
| (i) an environmental authority was granted | 5 |
| in relation to the mining tenure; or | 6 |
| (ii) an application for an environmental | 7 |
| authority in relation to the mining | 8 |
| tenure was made but not decided; or | 9 |
| (iii) if an environmental authority in | 10 |
| relation to the mining tenure had not | 11 |
| been granted or applied for—there is a | 12 |
| notified coordinated project in relation | 13 |
| to the tenure; and | 14 |
| (b) the entity who is or will be the holder of the | 15 |
| mining tenure did not hold, but would have | 16 |
| been required to hold, a water licence or | 17 |
| water permit to take or interfere with | 18 |
| underground water in the area of the tenure | 19 |
| if the taking or interference were to have | 20 |
| happened during the course of, or as a result | 21 |
| of, the carrying out of authorised activities | 22 |
| for the tenure. | 23 |
| (2) This division applies whether the mining tenure | 24 |
| was granted before or after the commencement. | 25 |
| (3) In this section— | 26 |
| <i>notified coordinated project</i> means a coordinated | 27 |
| project under the <i>State Development and Public</i> | 28 |
| <i>Works Organisation Act 1971</i> for which— | 29 |
| (a) an environmental impact statement is | 30 |
| required; and | 31 |
| (b) the Coordinator-General has publicly | 32 |
| notified under section 29 of that Act that an | 33 |
| EIS is required for the project; and | 34 |

- (c) either— 1
 - (i) the Coordinator-General has publicly 2
notified under that section that 3
comments on the draft terms of 4
reference are invited; or 5
 - (ii) if the Coordinator-General has not 6
publicly notified that comments on the 7
draft terms of reference are 8
invited—the terms of reference are 9
finalised under section 30(3) of that 10
Act. 11

1250B Definitions for division 12

In this division— 13

associated water licence means a licence granted 14
under this division. 15

dealing, with an associated water licence, means 16
a dealing mentioned in section 1250H. 17

1250C Associated water licence 18

- (1) An associated water licence authorises the taking 19
of or interference with underground water in the 20
area of a mining tenure if the taking or 21
interference happens during the course of, or 22
results from, the carrying out of an authorised 23
activity for the tenure. 24
- (2) An associated water licence may be granted only 25
in relation to a mining tenure to which this 26
division applies. 27
- (3) An associated water licence does not attach to 28
land the subject of a mining tenure. 29
- (4) An associated water licence may be amended, 30
renewed, reinstated, transferred, cancelled, 31
surrendered or repealed. 32

Subdivision 2 Obtaining associated water licences 1
2

1250D Applying for an associated water licence 3

- (1) The entity who is or will be the holder of a mining 4
tenure to which this division applies may apply to 5
the chief executive for an associated water 6
licence. 7
- (2) The application must include sufficient 8
information to address the criteria mentioned in 9
section 1250E(c) to (i). 10
- (3) The application must be accompanied by the same 11
fee prescribed by regulation for an application for 12
a water licence. 13
- (4) Sections 111 and 112, other than section 112(2), 14
apply to the application as if— 15
- (a) a reference in the sections to an application 16
for a water licence were a reference to an 17
application for an associated water licence; 18
and 19
- (b) a reference in the sections to an applicant for 20
a water licence were a reference to an 21
applicant for an associated water licence. 22

1250E Criteria for deciding application 23

- In deciding whether to grant or refuse the 24
application, the chief executive must consider the 25
application together with— 26
- (a) if additional information has been given to 27
the chief executive under section 111 as 28
applied by section 1250D(3)—the 29
additional information; and 30
- (b) all properly made submissions about the 31
application in response to the notice of the 32

- | | |
|--|----|
| application published under section 111 as | 1 |
| applied by section 1250D(3); and | 2 |
| (c) existing water entitlements and authorities | 3 |
| to take or interfere with water; and | 4 |
| (d) any environmental assessments carried out | 5 |
| in relation to the mining tenure, including— | 6 |
| (i) any conditions imposed on the mining | 7 |
| tenure or on the environmental | 8 |
| authority granted in relation to the | 9 |
| mining tenure; and | 10 |
| (ii) any report prepared by the | 11 |
| Coordinator-General under the <i>State</i> | 12 |
| <i>Development and Public Works</i> | 13 |
| <i>Organisation Act 1971</i> , section 34D | 14 |
| evaluating the EIS prepared in relation | 15 |
| to the mining tenure; and | 16 |
| (e) any information about the effects of taking, | 17 |
| or interfering with, water on natural | 18 |
| ecosystems; and | 19 |
| (f) any information about the effects of taking, | 20 |
| or interfering with, water on the physical | 21 |
| integrity of watercourses, lakes, springs and | 22 |
| aquifers; and | 23 |
| (g) strategies for the management of impacts on | 24 |
| underground water, including the impacts of | 25 |
| dewatering; and | 26 |
| (h) strategies and policies for the relevant | 27 |
| coastal zone; and | 28 |
| (i) the public interest. | 29 |

1250F Deciding application 30

- | | |
|--|----|
| (1) The chief executive must decide to grant, or to | 31 |
| grant in part, with or without conditions, or refuse | 32 |
| to grant, the application. | 33 |

-
- (2) The chief executive must give the applicant, and any person who gave a properly made submission about the application, an information notice about the decision within 30 business days after deciding the application.
- (3) If the chief executive grants, or grants in part, with or without conditions, the application, the chief executive must, within 30 business days after the granting, give an associated water licence in the approved form to—
- (a) the applicant; or
 - (b) if after making the application the applicant has ceased to be the holder of the mining tenure—the person who is the holder of the tenure when the chief executive gives the associated water licence.
- (4) The licence has effect from the day the information notice is given to the applicant.

1250G Contents and conditions of associated water licence

- (1) Sections 117 and 118 apply to an associated water licence as if—
- (a) a reference in the sections to a water licence were a reference to an associated water licence; and
 - (b) a reference in the sections to water were a reference to underground water.
- (2) Also, without limiting section 118(1), as applied by subsection (1), the conditions may require the holder of the licence—
- (a) to carry out a management strategy to manage impacts on natural ecosystems, including springs; or

- (b) to undertake a baseline assessment of water bores in the area of the holder's mining tenure. 1
2
3

Subdivision 3 Dealings with associated water licences 4 5

1250H Dealings 6

The following are dealings with associated water licences— 7
8

- (a) amending a licence; 9
- (b) renewing a licence; 10
- (c) reinstating a licence; 11
- (d) transferring a licence; 12
- (e) cancelling a licence; 13
- (f) surrendering a licence; 14
- (g) repealing a licence. 15

1250I Application for dealings 16

Sections 121(1), (2), (3)(b) and (c)(i) and 122(1) apply to a dealing with an associated water licence as if— 17
18
19

- (a) a reference in the sections to a water licence were a reference to an associated water licence; and 20
21
22
- (b) a reference in section 121 to a licensee of a water licence were a reference to the holder of an associated water licence; and 23
24
25
- (c) a reference in the sections to a dealing were a reference to a dealing under this subdivision; and 26
27
28

-
- (d) a reference in section 121(3)(b) to section 107 were a reference to section 1250D. 1
2

1250J Application to renew, or reinstate expired, associated water licence 3
4

Sections 124 and 125 apply to the renewal of an associated water licence, or reinstatement of an associated water licence that has expired, as if— 5
6
7

- (a) a reference in the sections to a water licence were a reference to an associated water licence; and 8
9
10

- (b) a reference in the sections to a water licensee were a reference to the holder of an associated water licence; and 11
12
13

- (c) the words ‘an application mentioned in section 121(3)(c)’ in section 125(1) were replaced by ‘an application to reinstate an associated water licence that has expired’; and 14
15
16
17
18

- (d) a reference in section 125 to an expired water licence were a reference to an associated water licence that has expired. 19
20
21

1250K Additional information may be required for application for dealings 22
23

Section 128 applies to an application for a dealing with an associated water licence as if a reference in the section to an application for a dealing were a reference to an application for a dealing under this subdivision. 24
25
26
27
28

1250L When dealing must be assessed as if it were for a new associated water licence 29
30

If a proposed dealing for an associated water licence does 1 or more of the following, it must be 31
32

- | | |
|---|----|
| assessed as if it were an application for a new | 1 |
| associated water licence— | 2 |
| (a) increases the amount of underground water | 3 |
| that may be taken under the licence; | 4 |
| (b) increases the daily rate or maximum rate per | 5 |
| second at which underground water may be | 6 |
| taken under the licence; | 7 |
| (c) changes the location of taking or interfering | 8 |
| with underground water under the licence; | 9 |
| (d) increases or changes the interference with | 10 |
| underground water under the licence. | 11 |

1250M Recording other dealings 12

- | | |
|--|----|
| (1) This section applies to a proposed dealing with an | 13 |
| associated water licence other than a dealing to | 14 |
| which section 1250L applies. | 15 |
| (2) The chief executive must— | 16 |
| (a) approve the dealing and record it in the | 17 |
| department's records within 30 business | 18 |
| days after receiving the application for the | 19 |
| dealing if the chief executive is satisfied the | 20 |
| requirements for the application have been | 21 |
| met; and | 22 |
| (b) if required, issue a new associated water | 23 |
| licence. | 24 |
| (3) If the chief executive does not approve the | 25 |
| dealing, the chief executive must give the | 26 |
| applicant notice of the decision, including the | 27 |
| reasons for the decision. | 28 |
| (4) An associated water licence issued under | 29 |
| subsection (2)(b) takes effect on the day it is given | 30 |
| to the applicant. | 31 |
| (5) An associated water licence replaced by a new | 32 |
| associated water licence issued under subsection | 33 |

(2)(b) expires on the day the new licence is given. 1

**1250N Actions chief executive may take in relation
to associated water licences** 2
3

Section 132 applies to an associated water licence 4
as if— 5

(a) the reference in section 132(1) to sections 6
133 to 135 were a reference to section 7
1250O(1) and (2) and sections 134(3) and 8
135 as applied by sections 1250O(3) and 9
1250P(1) and (2); and 10

(b) a reference in the section to a water licence 11
were a reference to an associated water 12
licence. 13

**1250O Amendment of associated water licence
after show cause process** 14
15

(1) This section applies to an amendment of an 16
associated water licence by the chief executive 17
under section 132(1)(b) as applied by section 18
1250N. 19

(2) The amendment must not— 20

(a) increase the amount of underground water 21
that may be taken under the licence; or 22

(b) increase the daily rate or maximum rate per 23
second at which underground water may be 24
taken under the licence; or 25

(c) change the location of taking or interfering 26
with underground water under the licence; 27
or 28

(d) increase or change the interference with 29
underground water under the licence. 30

(3) Section 134(3) to (7) applies to the amendment as 31
if— 32

[s 36]

- (a) a reference in the subsections to the licensee were a reference to the holder of an associated water licence; and
- (b) a reference in the subsections to a water licence were a reference to an associated water licence; and;
- (c) a reference in the subsections to an amended water licence were a reference to an amended associated water licence.

1250P Cancellation or surrender of associated water licence

- (1) This section applies to a cancellation of an associated water licence by the chief executive under section 132(1)(c) as applied by section 1250N.
- (2) Section 134, as applied by section 1250O, applies to the cancellation—
 - (a) as if a reference in the section to an amendment of an associated water licence were a reference to the cancellation of the licence; and
 - (b) with any necessary changes.
- (3) The holder of an associated water licence may surrender the licence by giving the chief executive notice of the surrender.
- (4) The surrender takes effect on the day on which the notice to surrender is received by the chief executive.

Subdivision 4 Other matters

1250Q Application for water licence made but not decided before commencement	1 2
(1) This section applies if—	3
(a) the holder of a mining tenure to which this division applies made an application for a water licence that would authorise the taking of or interference with underground water in the area of the tenure if the taking or interference were to happen during the course of, or as a result of, the carrying out of authorised activities for the tenure; but	4 5 6 7 8 9 10 11
(b) the application was not decided before the commencement.	12 13
(2) Despite sections 1272 and 1273, the application is taken to be an application for an associated water licence and must be decided under this division.	14 15 16
1250R Compliance with underground water rights on granting of licence	17 18
(1) This section applies if an application for an associated water licence is granted.	19 20
(2) Until all rights of review and appeal in relation to the granting of the associated water licence are exhausted, the holder of the licence is taken not to have complied with the holder's underground water obligations for the purposes of the Mineral Resources Act, section 334ZP.	21 22 23 24 25 26
(3) To remove any doubt, it is declared that this section does not prevent the holder of the associated water licence taking or interfering with underground water under the licence.	27 28 29 30

1250T Consideration when making decisions about associated water licence	10 11
(1) When making a decision under this division in relation to an associated water licence, the chief executive must consider the purpose of this Act as stated in section 2(1)(c).	12 13 14 15
(2) To remove any doubt, it is declared that this division is not part of the framework for establishing a system for the planning, allocation and use of water.	16 17 18 19
<i>Note—</i>	20
For subsection (2), see a purpose of the Act mentioned in section 2(1)(a)(i).	21 22
1250U Agreement between holder of mining tenure and water bore	23 24
(1) This section applies in relation to an agreement entered into by the following parties about a water bore if the bore is affected, or likely to be affected, by the taking of or interfering with underground water in the area of the tenure—	25 26 27 28 29
(a) the holder of a mining tenure who is also the holder of an associated water licence;	30 31

(b) the bore owner of the water bore.	1	
(2) The agreement is taken to be a make good agreement for the water bore that is entered into by the holder of the mining tenure and the bore owner.	2 3 4 5	
(3) The holder of the mining tenure is taken to have complied with the holder's obligations to undertake a bore assessment for the water bore under chapter 3, part 5, division 2.	6 7 8 9
