

Please keep this Contract so you can hold us to account.

Grow a Four Pillar Economy

- The LNP will reduce unemployment in Queensland to 4% in six years.
- We will expend the payroll tax exemption from \$1 million to \$1.6 million over six years to help business create jobs.
- We will deliver 10,000 more apprentices by investing in Queenslanders' skills and training.
- We will cut red tape and regulation by 20%.
- We will pay off Labor's \$85 billion debt so we can invest the dividends of good economic management in better infrastructure and revitalised front line services for our families.
- We will establish a Commission of Audit of Queensland's finances and chart the way back to the AAA credit rating.
- We will double overnight tourist expenditure in Queensland by 2020.
- We will re-establish a department for agriculture and double Queensland's food production by 2040.
- We will return the budget to surplus by 2014-15 by cutting government waste.

Lower the Cost of Living for Families by Cutting Waste

- We will abolish Labor's \$7000 tax on buying the family home.
- We will freeze family car rego for our first term.

- Our four point plan will reduce household water prices.
- We will reform electricity tariffs to save families money and ensure the cost of the carbon tax and green energy schemes are listed on power bills.
- Cut Labor's public transport fare increases by half in our first term.
- Reward regular commuters by reintroducing discounted weekly fares for go card users.

Better Infrastructure and Better Planning

- We will build the infrastructure that makes a difference to both our economy and our lives.
- The LNP will invest \$1 billion to fast track fixing the Bruce Highway.
- We will establish Infrastructure Queensland and Queensland Projects to ensure projects are built where they are needed, on time and on budget.
- Introduce Royalties for the Regions to build better roads, social infrastructure and deliver floodplain security to regional communities in resource areas.
- We will plan and build better schools through the \$115 million Building our Future Schools Fund and the Queensland Schools Plan Commission.
- We will build better marine infrastructure for recreational fishers, boaters and tourists as well as opening up access to Cairns' Trinity Inlet and the Gold Coast Broadwater.
- We will better manage our National Parks including controlling weeds and pests, and provide real protection for our dugongs, turtles and koalas.

Revitalise Front Line Services for Families

- Establish a new Maternal and Child Health Service with free home visits to get mums and bubs off to the best possible start in life.

- We will deliver better access to emergency and specialist health care for Queensland families.
- Boost the Patient Travel Subsidy Scheme to make access to health services for rural and regional families more affordable.
- We will make Queensland one of the leading states for students' literacy and numeracy by 2020.
- Invest in early childhood education with 600 full-time Prep teacher aides.
- We will deliver 1300 more front line police on the beat to keep our families safe and deliver two police helicopters.
- We will revitalise community policing through Neighbourhood Watch and Crime Stoppers.
- The LNP will support a strong and independent public service.
- Support our community, volunteer and local environment groups through targeted grants.

Restore Accountability in Government

- We will give people a real say on issues affecting their local community.
- We will conduct a War on Waste to ensure better value for tax payers' money.
- We will be honest and accountable.
- Ministers will be held to account for their decisions.
- We will overturn Labor's law so it is once again illegal to lie to Parliament.
