[s 54]

- | | |
|---|---|
| (5) To remove any doubt, it is declared that a | 1 |
| provider's refusal of a resident's request on the | 2 |
| grounds that 'no pets are allowed' is not enough | 3 |
| to comply with subsection (3)(c). | 4 |

256E Grounds for refusing pets being kept in	5
resident's room	6

- | | |
|---|----|
| (1) The following are the only grounds for a provider | 7 |
| to refuse a resident's request for approval to keep | 8 |
| a stated pet in the resident's room— | 9 |
| (a) keeping the pet would exceed a reasonable | 10 |
| number of animals being kept in the room or | 11 |
| at the rental premises; | 12 |
| (b) the resident's room is unsuitable for keeping | 13 |
| the pet because of a lack of appropriate | 14 |
| space or other things necessary to humanely | 15 |
| accommodate the pet; | 16 |
| (c) keeping the pet is likely to cause damage to | 17 |
| the resident's room or inclusions that could | 18 |
| not practicably be repaired for a cost that is | 19 |
| less than the amount of the rental bond for | 20 |
| the room; | 21 |
| (d) keeping the pet would pose an unacceptable | 22 |
| risk to the health and safety of a person, | 23 |
| including, for example, because the pet is | 24 |
| venomous; | 25 |
| (e) keeping the pet would contravene a law; | 26 |
| (f) keeping the pet would contravene a body | 27 |
| corporate by-law or house rule applying to | 28 |
| the rental premises; | 29 |
| (g) the resident has not agreed to the reasonable | 30 |
| conditions proposed by the provider for | 31 |
| approval to keep the pet; | 32 |
| (h) the animal stated in the request is not a pet; | 33 |

(i) another ground prescribed by regulation.	1

(b) are reasonable having regard to the type of pet, the room and the rental premises; and	12 13
(c) are stated in the written approval given to the resident under section 256D(2).	14 15
(2) Without limiting subsection (1)(b), the following conditions of the provider's approval are taken to be reasonable—	16 17 18
(a) a condition requiring the pet generally be kept in the resident's room;	19 20
(b) if the pet is capable of carrying parasites that could infest the room—a condition requiring the room to be professionally fumigated at the end of the rooming accommodation agreement;	21 22 23 24 25
(c) if the pet is allowed inside the room—a condition requiring carpets in the room to be professionally cleaned at the end of the rooming accommodation agreement.	26 27 28 29
(3) A condition of the provider's approval for the resident to keep a pet in the resident's room is void if the condition—	30 31 32

[s 54]

- (a) would have the effect of the provider
contravening section 176 or 177; or
- (b) would, as a term of a rooming
accommodation agreement, be void under
section 178; or
- (c) would increase the rent or rental bond
payable by the resident; or
- (d) would require any form of security from the
resident.
- (4) For subsection (2), a room is professionally
fumigated, and carpets are professionally cleaned,
if the fumigation and cleaning are done to a

	Subdivision 2 Exemptions	22
	70D Declaration of exemption	23
	(1) A regulation may declare that an exemption under this section applies to a stated scheme.	24
		25

-
- (2) The Minister may recommend to the Governor in Council the making of a regulation under subsection (1) only if the Minister is satisfied—
- (a) each residence contract under the scheme is based on a freehold interest in an accommodation unit that is the resident's freehold property; and
 - (b) the exemption would be appropriate because of the extent to which—
 - (i) the residents are in a position to control or influence the affairs of the scheme operator in relation to the operation of the scheme; and
 - (ii) for any of the accommodation units, the scheme operator's assets and ability to generate income are likely to be insufficient to purchase the resident's freehold property.
- (3) When deciding whether an exemption for a scheme would be appropriate under subsection (2)(b), the Minister may have regard to any relevant matter, including the following—
- (a) whether, for a scheme in which the retirement village land is land included in a community titles scheme, the common area of the retirement village is—
 - (i) common property under the community titles scheme; or
 - (ii) a lot owned by the body corporate under the community titles scheme;
 - (b) the extent to which, other than as required by this Act—
 - (i) the scheme operator has any control over, or involvement in, the sale of a
-

former resident's accommodation unit;	1
and	2
(ii) a former resident is required to refurbish, reinstate or renovate the former resident's accommodation unit before it may be sold;	3 4 5 6
(c) the extent to which the scheme operator makes any profit from fees or charges payable by residents;	7 8 9
(d) whether any amount is payable to the scheme operator on the sale of an accommodation unit.	10 11 12
(4) If the Minister stops being satisfied about a matter stated in subsection (2)(a) or (b) in relation to an exempt scheme, the Minister must recommend to the Governor in Council the making of a regulation ending the exemption of the scheme.	13 14 15 16 17
70E Effect of exemption	18
Sections 63(1)(c) and 63A do not apply to the scheme operator of an exempt scheme in relation to a former resident.	19 20 21
70F Scheme operator must notify changes relevant to exemption	22 23
(1) This section applies to the scheme operator of an exempt scheme if the scheme operator knows, or ought reasonably to know, there has been a change to any matter or circumstance that is relevant to a matter mentioned in section 70D(2)(a) or (b).	24 25 26 27 28 29
<i>Example—</i>	30
a sale of shares, in a scheme operator that is a corporation, that changes the extent to which the residents are in a position to control the corporation	31 32 33

- (2) Within 28 days after the scheme operator becomes aware or ought reasonably to have become aware of the change, the scheme operator must give the chief executive a notice in the approved form. Maximum penalty—50 penalty units.

70G Chief executive may require information about exempt scheme

- (1) The chief executive may give the scheme operator of an exempt scheme a notice asking for stated information about a matter or circumstance that the chief executive considers may be relevant to a matter mentioned in section 70D(2)(a) or (b).
- (2) The notice must state the reasonable time, not less than 28 days after the notice is given, within which the information must be given.
- (3) The scheme operator must comply with the notice unless the scheme operator has a reasonable excuse.
- Maximum penalty—50 penalty units.
