Visitor access to committee proceedings

Important notes: Committee proceedings (other than private proceedings) are open to the public.

Access to the Parliament for members of the public wishing to attend a public hearing or briefing is through reception on the ground level of the Parliamentary Annexe in Alice Street. Attendees will need to pass through security and must provide government issued photo identification (such as a drivers licence) as proof of identification before being allowed entry.

Please enter the meeting room only if there is a sign indicating that the room is 'open to the public'. Please wait outside if you do not see such a sign, as the committee might be discussing something in private, or the schedule might have changed at short notice.
