## Introduction

Effective 3 October 2014, the Mourilyan Drainage Board (the water authority) was dissolved by the Water Amendment Regulation (No. 2) 2014.

The water authority was constituted under the *Water Act 2000* (the Water Act), and was a statutory body under the *Financial Accountability Act 2009* (FA Act) and the *Statutory Bodies Financial Arrangements Act 1982*. As the former appropriate Minister for the abolished water authority, the Minister is required to table the final annual report (final report) for the water authority in the Queensland Legislative Assembly for the water authority's final period of operation (final period)—from 1 July 2013 to 2 October 2014.

Copies of the final report are available from the Department of Natural Resources and Mines (the department).

The water authority dissolved for the purposes of converting itself to the institutional structure consisting of all the parties to the closed water activity agreement titled 'Mourilyan Drainage Scheme Agreement' (registered dealing number 715832497). In doing so, the water authority was one of a number of water authorities transferring the provision of their functions away from a statutory body framework to an alternative institutional structure, or to the local government whose authority area their water authority shares. In terms of other institutional reform of water authorities, some water authorities are undergoing amalgamation with related water authorities with a view to gaining efficiencies in meeting their obligations as a statutory body. Others are committed to remaining in their current form as statutory bodies.

As at 3 October 2014, the department continues to liaise regularly with representatives of each water authority as well as liaising with other key stakeholders, such as the Queensland Farmers' Federation, Canegrowers Queensland, and relevant local governments. Relevant water authorities are currently actioning their preferred institutional changes. Meanwhile, all water authorities are progressing, as applicable, with meeting new legislative obligations applicable to them while statutory bodies. The department will continue working alongside and actively supporting water authorities.

## Nature of the water authority

The water authority was a small water authority servicing seven rural holdings. The landholders shared the cost and workload of maintaining the water authority's water infrastructure.

## Roles and objectives

The water authority provided services aligned to the government's objectives for the community and other whole-of-government strategies.

Under section 569 of the Water Act, a water authority's main function is to carry out the water activities decided by the authority. If the water authority has an authority area, its main function is to carry out the water activities for the authority area.

The water authority's main function was to provide a coordinated drainage system for the removal and disposal of excess water from agricultural lands within the water authority's area.

## Location

The administrative plan reference number for the water authority's authority area was AP4053. The Cassowary Coast Regional Council was the local government for the authority area.

## Operations

### Management

The water authority was managed by a board of directors. Prospective directors were elected in accordance with the procedures prescribed by regulation. The Water Regulation 2002 contains the relevant provisions for the conduct of elections either by mail or at a meeting of ratepayers. Subsequent to the election of persons, all directors were appointed by the Governor in Council.

During the final period, the water authority's principal place of business was situated in Mourilyan, with all correspondence being directed to PO Box 67, Mourilyan Qld 4858.

The contact person for the water authority was its secretary, Mrs Carolyn Jones. Mrs Jones's phone number is 4063 2477, her facsimile 4063 2488, and her email [carolyn\\_jones@canegrowers.com.au](mailto:carolyn_jones@canegrowers.com.au).

### Organisational Structure

The organisational structure of the water authority consisted of three persons elected by the ratepayers in the water authority's authority area. Once elected, these persons were appointed by the Governor in Council as directors of the water authority. Mr Mark Aquilina (Chairperson), Mr Alan Aquilina and Mr Joseph Mizzi remained on the board of the water authority in the final period.

No new directors were appointed to the water authority in the final period.

### Staff

The water authority did not employ any staff. Therefore, it was unnecessary for the water authority to establish workforce planning, attraction and retention practices.

### Related entities

The water authority did not have any related entities.

### Consultancies

The water authority did not engage any consultants during the final period.

Information in relation to consultancies' expenditure of water authorities is publicly accessible at the Government's Open Data website: [www.data.qld.gov.au/dataset/consultancy-spending-category-2-water-authorities](http://www.data.qld.gov.au/dataset/consultancy-spending-category-2-water-authorities).

### Overseas travel

No member of the water authority travelled overseas during the final period.

Information in relation to overseas travel costs incurred by water authority members is to be publicly accessible at the Government's Open Data website. Currently, as no member of a water authority has incurred overseas travel costs, no data set exists.

### Information systems and record keeping

During the final period the water authority had a records management system appropriate for its particular operations.

## Public Sector Ethics Act

The water authority had in place a code of conduct and complied with the *Public Sector Ethics Act 1994*. Water authority members were reminded of their obligations when appointed to the water authority and given access to the Department of the Premier and Cabinet's publication titled 'Welcome Aboard: A Guide for Members of Queensland Government Boards, Committees and Statutory Authorities'.

## Audit committee

The water authority's secretary ensured appropriate accounting standards were used by the water authority during the final period.

## Risk management and accountability

For the purpose of enabling the department to assess the financial viability of the water authority in past years, the water authority was requested to submit:

- its financial statements
- a prudential assessment questionnaire
- an entity indebtedness statement
- a budget for the next financial year.

Based on this information, the department conducted an annual risk management and governance assessment of the water authority. From the latest review, the department found the water authority had been prudent in managing its financial affairs and had adopted appropriate risk management strategies.

## Machinery-of-government changes

The water authority was not subject to any machinery-of-government changes during the final period.

## Overview of operations

During its final period, the water authority continued to provide a coordinated drainage system for the removal and disposal of excess water from agricultural lands.

## Financial operations

### Internal audit

When required, the water authority's secretary undertook internal audit functions. There was nothing to report for the final period.

### Outputs and output performance measures

The water authority was self-funded and therefore funding outputs and output performance measures are not applicable.

### Remuneration of chairperson and directors

No remuneration was paid to any members or officers of the water authority during the final period.

### External scrutiny

Except for audits of the financial statements carried out by the Queensland Audit Office, no external auditor reviews of the water authority's operations occurred during the final period.

### Summary of financial performance

The primary source of the water authority's funding during the final period was from its ratepayers. During the final period, the water authority was financially viable and had sufficient funds to service its debts.

### Letter of compliance

The water authority's former responsible person has certified that the water authority's final report complies with:

- the prescribed requirements of the *Financial Accountability Act 2009* and the Financial and Performance Management Standard 2009
- the detailed requirements set out in the Department of the Premier and Cabinet's publication, Annual report requirements for Queensland Government agencies (ARRs) for 2013–14.

### Audit report information

The water authority's certified financial statements are at the Appendix.

### Summary of independent audit report

In accordance with section 40 of the *Auditor-General Act 2009*, the Auditor-General certified that:

- the prescribed requirements in relation to the establishment and keeping of accounts have been complied with in all material respects; and
- the final financial report presents a true and fair view of the transactions of the former Mourilyan Drainage Board for the final period 1 July 2013 to 2 October 2014 and of the financial position as at the end of that final period.

certified statements

Mourilyan Drainage Board

NOTES TO AND FORMING PART  
OF THE FINANCIAL STATEMENTS

**Note (1) STATEMENT OF OBJECTIVES AND PRINCIPAL ACTIVITIES**

The main function of the Mourilyan Drainage Board was to carry out the water activities decided by the water authority. The water authority's main objective was to provide a coordinated drainage system for the removal and disposal of excess water from agricultural lands within the Mourilyan Drainage Area.

**Note (2) STATEMENT OF ACCOUNTING POLICIES**

**Note (2)(a) Basis of Accounting**

Although exemptions are no longer granted by the Treasurer, special purpose financial statements have been prepared by the water authority (due to its transition away from statutory body status), certified by the former chairperson and former secretary.

Under the provisions of Section 59 of the *Financial Accountability Act 2009* (the Act), the entity has received an exemption from compliance with the following provisions of the Financial and Performance Management Standard 2009 (the Standard):

- Section 23, which requires the entity to have established an appropriate asset management system and comply with the *Non-current asset policies for the Queensland Public Sector*, publishing by Queensland Treasury and Trade; and
- Section 48(1), which requires the entity to prepare its final financial statements for the year having regard to the minimum reporting requirements as detailed in the *Financial Reporting Requirements for Queensland Government Agencies*, published by Queensland Treasury & Trade.

Accordingly, these special purpose financial statements have been prepared to satisfy the water authority's reporting requirements under the *Financial Accountability Act 2009*, and in accordance with the reporting framework as determined by the Department of Natural Resources & Mines. These financial statements have not been prepared in accordance with prescribed accounting standards as it is assessed that there is a limited number of intended users of the financial statements and the format is appropriate to meet the information needs of these users. The intended users of these financial statements are limited to:

- Members of the Queensland Parliament
- The Minister and Department of Natural Resources & Mines
- The Treasurer and Queensland Treasury & Trade
- Members of the Water Authority and related local community members

Given that these financial statements have not been prepared in accordance with prescribed accounting standards, they may not satisfy the information needs of users beyond those identified above.

The financial statements have been prepared on a cash basis<sup>1</sup>, consistent with that which applied in the previous financial year.

**Note (2)(b) Non-Current Assets**

Non-Current Assets

	1 July 13 – 2 Oct 14 \$	2012-13 \$
Controlled Drains	0	50,000
Controlled Floodgate	0	20,000
Controlled Crossings	0	30,000
	<u>0</u>	<u>100,000</u>

The Mourilyan Drainage Board elected to transition away from statutory body status. On 2 October 2014, the Governor in Council abolished the Mourilyan Drainage Board and nominated the Mourilyan Drainage Scheme Agreement as the new alternative institutional structure.

The assets and liabilities of the Mourilyan Drainage Board became the assets and liabilities of the Mourilyan Drainage Scheme Agreement.

The Mourilyan Drainage Board did not have any plant or equipment. No allowance for depreciation had been made.

**Note (2)(c) Rates and Charges Outstanding**

There are no outstanding rates or charges as at 2 October 2014. No bad debts were written off during the period 1 July 2013 to 2 October 2014.

**Note (2)(d) Sundry Creditors**

There were no Sundry Creditors at the end of 1 July 2013 to 2 October 2014 period.

**Note (2)(e) Loan Indebtedness**

The authority's loan indebtedness ending the period 1 July 2013 to 2 October 2014 was \$ NIL.

**Note (2)(f) Contingent Assets/Liabilities**

There were no known contingent assets or liabilities of a significant nature at 2 October 2014.

**Note (2)(g) Employee entitlements**

The Mourilyan Drainage Board did not have any employees at the end of 1 July to 2 October 2014 period.

**Mourilyan Drainage Board**

**NOTES TO AND FORMING PART  
OF THE FINANCIAL STATEMENTS**

(continued)

**Note 2(h) Dissolution of the Mourilyan Drainage Board**

The Mourilyan Drainage Board elected to transition away from statutory body status. On 2 October 2014, the Governor in Council abolished the Mourilyan Drainage Board and nominated the Mourilyan Drainage Scheme Agreement as the new alternative institutional structure.

On dissolution, the assets and liabilities of the Mourilyan Drainage Board became the assets and liabilities of the Mourilyan Drainage Scheme Agreement. The specific values of the assets and liabilities transferred were as follows:

Controlled Drains	\$ 50,000
Controlled Floodgate	\$ 20,000
Controlled Crossings	\$ 30,000

Accordingly, this final financial report has been prepared on a basis that is consistent with a going concern basis.

**CERTIFICATE OF THE**

**Mourilyan Drainage Board**

We have prepared the foregoing final financial statements pursuant to section 62(1) of the *Financial Accountability Act 2009* (the Act), relevant sections of the Financial Performance and Management Standard 2009, and other prescribed requirements. In accordance with section 62(1)(b) of the Act, we certify that in our opinion:

- (i) the prescribed requirements in respect of the establishment and keeping of accounts have been complied with in all material respects;
- (ii) the special purpose financial statements have been drawn up so as to present a true and fair view of the transactions of the water authority for the period 1 July 2013 to 2 October 2014, and of the financial position as at 2 October 2014 in accordance with the basis of accounting as detailed in Note 2(a) to the financial statements; and
- (iii) financial assistance received has been expended in accord with the purposes for which it was given in the financial year.

INDEPENDENT AUDITOR'S REPORT

To the former Minister of Mourilyan Drainage Board

**Report on the final Financial Report**

I have audited the accompanying final financial report of the former Mourilyan Drainage Board which comprises statements of receipts and payments for the Operating Fund for the period 1 July 2013 to 2 October 2014, notes to and forming part of the final financial statements comprising a statement of accounting policies and other explanatory information, and certificate of the former Mourilyan Drainage Board given by the former Chairperson and former Secretary.

*The former Board's Responsibility for the Financial Report*

The former Board is responsible for the preparation of the final financial report that gives a true and fair view in accordance with prescribed accounting requirements identified in the *Financial Accountability Act 2009* and the *Financial and Performance Management Standard 2009*, including compliance with Australian Accounting Standards – Reduced Disclosure Requirements. The former Board's responsibility also includes such internal control as the Board determines is necessary to enable the preparation of the final financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

*Auditor's Responsibility*

My responsibility is to express an opinion on the financial report based on the audit. The audit was conducted in accordance with the *Auditor-General of Queensland Auditing Standards*, which incorporate the Australian Auditing Standards. Those standards require compliance with relevant ethical requirements relating to audit engagements and that the audit is planned and performed to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control, other than in expressing an opinion on compliance with prescribed requirements. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board, as well as evaluating the overall presentation of the financial report including any mandatory financial reporting requirements approved by the Treasurer for application in Queensland.

*Independence*

The *Auditor-General Act 2009* promotes the independence of the Auditor-General and all authorised auditors. The Auditor-General is the auditor of all Queensland public sector entities and can be removed only by Parliament.

The Auditor-General may conduct an audit in any way considered appropriate and is not subject to direction by any person about the way in which audit powers are to be exercised. The Auditor-General has for the purposes of conducting an audit, access to all documents and property and can report to Parliament matters which in the Auditor-General's opinion are significant.

*Opinion*

In accordance with s.40 of the *Auditor-General Act 2009* –

- (a) I have received all the information and explanations which I have required; and
- (b) in my opinion –
  - (i) the prescribed requirements in relation to the establishment and keeping of accounts have been complied with in all material respects; and
  - (ii) the final financial report presents a true and fair view of the transactions of the former Mourilyan Drainage Board Board for the final period 1 July 2013 to 2 October 2014 and of the financial position as at the end of that final period, in accordance with the accounting policies described in Note 2(a).

*Emphasis of Matter - Basis of Accounting*

Without modifying my opinion, attention is drawn to Note 2(a) to the final financial report, which describes the basis of accounting. The final financial report has been prepared for the purpose of fulfilling the former Board's financial reporting responsibilities under the *Financial Accountability Act 2009*, in accordance with the exemption provided by the Treasurer under section 59 of that Act. As a result, the final financial report may not be suitable for another purpose.

*Emphasis of Matter – Abolition of Mourilyan Drainage Board Board*

Without modifying my opinion, attention is drawn to Note 2(h) in the final financial report which identifies that pursuant to the *Regulation* the former Mourilyan Drainage Board was effectively abolished on 2 October 2014. In accordance with the requirements of the Regulation, all assets and liabilities of the former statutory body as at the date of abolition were transferred to Mourilyan Drainage Scheme Arrangement immediately after the abolishment at the values reported in note 2 (h). Accordingly this final financial report has been prepared on a basis that is consistent with a going concern basis.
