NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS 2013-14

**Objectives and Principal Activities of the Aboriginal Centre for the Performing Arts** This financial report records grants and other revenue received by the Company and expenses incurred in carrying out the activities of the Company.

#### 1. Statement of Significant Accounting Policies

#### (a) Basis of Preparation

The Company has prepared these financial statements in compliance with section 43 of the Financial and Performance Management Standard 2009 and the Corporations Act 2001

These financial statements are general purpose financial statements, and have been prepared on an accrual basis in accordance with Australian Accounting Standards and Interpretations.

With respect to compliance with Australian Accounting Standards and Interpretations, the Company has applied those requirements applicable to not-for-profit entities, as the Company is a not-for-profit Company. Except where stated, the historical cost convention is used.

#### (b) The Reporting Entity

The financial statements include the value of revenues, expenses, assets, liabilities and equity of the Company. The Company does not have any controlled entities.

#### (c) Grants and Other Contributions

Grants, contributions, donations and gifts which are non-reciprocal in nature are recognised as revenue in the year in which the Company obtains control over them.

Contributed assets are recognised at their fair value. Contributions of services are recognised only when a fair value can be determined reliably and the services would be purchased if they had not been donated.

#### (d) Cash and Cash Equivalents

For the purposes of the Statement of Financial Position and the Statement of Cash Flows, cash assets includes all cash and cheques receipted but not banked at 30 June as well as deposits at call with financial institutions. It also includes investments with short periods to maturity that are convertible readily to cash on hand at the Company's option and that are subject to a low risk of changes in value.

#### NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS 2013-14

#### 1. STATEMENT OF ACCOUNTING POLICIES (contd)

#### (e) Investments

Investments are measured at the lower of cost and net realisable value basis.

#### (f) Receivables

Trade debtors are recognised at the amounts due at the time of sale or service delivery i.e. the agreed purchase/contract price. Settlement of these amounts is required within 30 days from invoice date.

The collectability of receivables is assessed periodically. There is no provision for doubtful debts at the balance sheet date. All known bad debts were written off at 30 June.

#### (g) Revenue

Revenue from the sale of goods and rendering of services is recognised upon the delivery of the goods or services to customers. Interest revenue is recognised as it accrues, taking into account the interest rates applicable to the financial assets.

Donations and bequests are recognised when they are received.

Reciprocal grants and sponsorships are recognised over the term of the funding arrangement and where unspent, are recognised as unearned revenue at balance date.

#### (h) Property, Plant and Equipment

Items of property, plant and equipment with a cost other value in excess of \$2,000 are recognised for financials reporting purposes in the year of acquisition.

Items with a lesser value are expensed in the year of acquisition.

#### (i) Depreciation of Property, Plant and Equipment

Property, plant and equipment is depreciated using the straight line method so as to allocate the net cost or revalued amount of each asset, less its estimated residual value, progressively over the estimated useful life to the entity.

Any expenditure that increases the originally assessed capacity or service potential of an asset is capitalised and the new depreciable amount is depreciated over the remaining useful life of the asset to the entity.

For each class of depreciable assets, the following depreciation rates were used:

Class	Rate
Classroom Equipment	10%-33%
Commuter Van	12.50%
Leasehold improvements	20.00%
Office Equipment	15%-30%

#### (j) Impairment of Non-Current Assets

All non-current physical assets are assessed for indicators of impairment on an annual basis. If an indicator of possible impairment exists, the Company determines the asset's recoverable amount. Any amount by which the asset's carrying amount exceeds the recoverable amount is recorded as an impairment loss.

The asset's recoverable amount is determined as the higher of the asset's fair value less costs to sell and depreciated replacement costs.

An impairment loss is recognised immediately in the Statement of Comprehensive Income, unless the asset is carried at a revalued amount. When the asset is measured at a revalued amount, the impairment loss is offset against the asset revaluation surplus of the relevant class to the extent available.

#### (k) Leases

A distinction is made in the financial statements between finance leases that effectively transfer from the lessor to the lessee substantially all the risks and benefits incidental to ownership, and cancellable operating leases under which the lessor effectively retains substantially all the risks and benefits.

The Aboriginal Centre for the Performing Arts Pty Ltd does not have any finance leases.

Operating lease payments are representative of the pattern of benefits derived from the leased assets and are expensed in the period in which they are incurred.

#### 1. STATEMENT OF ACCOUNTING POLICIES (contd)

#### (I) Employee Benefits Provision

Employee superannuation contributions and long service leave levies are regarded as employee benefits.

Workers Compensation insurance is a consequence of employing employees, but is not counted in an employee's total remuneration package. It is not employee benefits and is recognised separately as employee related expenses.

Wages, Salaries, Recreation Leave and Sick leave Wages, salaries and recreation leave due but unpaid at reporting date are recognised in the Statement of Financial Position at the current salary rates.

For unpaid entitlements expected to be paid within 12 months, the liabilities are recognised at their undiscounted values. Entitlements not expected to be paid within 12 months are classified as non-current liabilities and recognised at their present value, calculated using yields on Fixed Rate Commonwealth Government bonds of similar maturity, after projecting the remuneration rates expected to apply at the time of likely settlement.

Prior history indicates that on average, sick leave taken each reporting period is less than the entitlement accrued. This is expected to continue into future periods. Accordingly, it is unlikely that existing accumulated entitlements will be used by employees and no liability for unused sick leave entitlements is recognised.

As sick leave is non-vesting, an expense is recognised for this leave as it is taken.

#### (m) Insurance

The Company carries insurance cover in the areas of Property, Crime, General Liability, Products Liability, Professional Indemnity and Liability of Officials. Insurance coverage is with commercial insurers with premiums being paid on a risk assessment basis. In addition, the Company pays premiums to WorkCover Queensland in respect of its obligations for employee compensation.

#### (n) Payables

Trade creditors are recognised upon receipt of the goods or services ordered and are measured at the nominal amount i.e. agreed purchase/contract price, gross of applicable trade and other discounts. Amounts owing are unsecured and are generally settled on 30 day terms.

#### (0) Services Received Free of Charge or For Nominal Value

Contributions of services are recognised only if the services would have been purchased if they had not been donated and their value can be measured reliably. Where this is the case, an equal amount is recognised as a revenue and an expense.

#### (p) Financial Instruments

Recognition

Financial assets and financial liabilities are recognised in the Statement of Financial Position when the Company becomes party to the contractual provisions of the financial instrument.

#### Classification

Financial instruments are classified and measured as follows:

- Cash and cash equivalents held at fair value through profit and loss
- Receivables held at amortised cost
  - Payables held at amortised cost

The Company does not enter transactions for speculative purposes, nor for hedging. Apart from cash and cash equivalents, the Company holds no financial assets classified at fair value through profit and loss.

All disclosures relating to the measurement basis and financial risk management of other financial instruments held by the Company are included in Note 22.

#### (q) Taxation

The Company's tax status has been determined with a Private Binding Ruling from the Australian Taxation Office. Prior to 1 July 2000 the company was a not for profit public education organisation, and was exempt from income tax under the provisions of Section 23(e) of the Income Tax assessment Act 1977. Changes to the Income Tax Assessment Act from 1 July 2000 require the Company to review this tax status. The private Ruling from the Australian Taxation Office (rule file number 42006316) was dated 7 August 2003. The Private Ruling determined the Company was a charitable institution as its predominate purpose is the advancement of education, it exists for the public benefit and is a non-profit organisation. The ATO also determined that the Company meets the special conditions specified in section 50-50 and section 50-52 of the Income Tax Assessment Act 1997 as a charitable institution but would only be exempt from income tax if the Company was endorsed by the Commissioner as an income tax exempt charity under subdivision 50-B of the Income Tax Assessment Act 1997 from 1 July 2000 (dated 21 May 2004). The Company is endorsed by the Commissioner as an income tax exempt charity under subdivision 50-B of the Income Tax Assessment Act 1997.

The Private Ruling determined the Company is an entity entitled to a rebate on its fringe benefits tax payable as a public educational institution under paragraph 65J(1)(b) of the Fringe Benefits tax assessment Act 1986.

#### (r) Issuance of Financial Statements

The financial statements are authorised for issue by the Chair and another director of the Company.

#### (s) Judgements and Assumptions

The preparation of financial statements necessarily requires the determination and use of certain critical accounting estimates, assumptions, and management judgements that have the potential to cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year. Such estimates, judgements and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in future periods as relevant.

Estimates and assumptions with the most significant effect on the financial statements are outlined in the following note:

Depreciation of Property, Plant and Equipment - Note 1(i)

#### (t) Rounding and Comparatives

Amounts included in the financial statements have been rounded to the nearest \$1.

Comparative information has been restated where necessary to be consistent with disclosures in the current reporting period.

#### (u) New and Revised Accounting Standards

The Company did not voluntarily change any of its accounting policies during 2013-2014. Australian accounting standard changes applicable for the first time for 2013-2014 have had minimal effect on the Aboriginal Centre for the Performing Arts Pty Ltd's financial statements.

#### (b) Liquidity Risk (contd)

The Company is only exposed to liquidity risk in respect of its payables .

The Company manages liquidity risk through the use of management reports. This strategy aims to reduce the exposure to liquidity risk by ensuring the Company has sufficient funds available to meet employee and supplier obligations at all times. This is achieved by ensuring that minimum levels of cash are held within the various bank accounts so as to match the expected duration of the various employee and supplier liabilities.

The following table sets out the liquidity risk of financial liabilities held by the Company. It represents the contractual maturity of financial liabilities, calculated based on cash flows relating to the repayment of the principal amount outstanding at balance date.

#### (c) Market Risk

The Company does not trade in foreign currency and is not materially exposed to commodity price changes. The Company is only exposed to interest rate risk through cash deposits in interest bearing accounts.

#### (d) Interest Rate Sensitivity Analysis

The following interest rate sensitivity analysis is based on a report similar to that which would be provided to management, depicting the outcome to profit and loss if interest rates would change by +/-1% from the year-end rates applicable to the Company's financial assets and liabilities. With all other variables held constant, the Company would have a surplus and equity increase/(decrease) of \$7,741 (2013: \$17,044). This is attributable to the Company's exposure to variable interest rates on interest bearing cash deposits.

		2014 Interest rate risk				
	Carrying	-1%			+1%	
<b>Financial Instruments</b>	Amount	Profit	Equity	Profit	Equity	
Cash	774,140	(7,741)	(7,741)	7,741	7,741	
Overall effect on profit an	nd equity	(7,741)	(7,741)	7,741	7,741	

The Company's sensitivity to interest has increased in the current period due to an increase in the investment account balance.

		2013 Interest rate risk				
	Carrying	-1	%		+1%	
Financial Instruments Amou	Amount	Profit	Equity	Profit	Equity

#### (e) Fair Value

The fair value of financial assets and liabilities is determined as follows:

- The carrying amounts of all financial assets and financial liabilities are representative of their fair value.
- The Company does not hold any "available for sale" financial assets.

The Company has not offset any assets and liabilities.

#### 23. Contingencies

There were no known contingent assets or liabilities of a significant nature at balance date.

#### INDEPENDENT AUDITOR'S REPORT

To the Board of Aboriginal Centre for the Performing Arts Pty Ltd

#### **Report on the Financial Report**

I have audited the accompanying financial report of Aboriginal Centre for the Performing Arts Pty Ltd which comprises the statement of financial position as at 30 June 2014, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a statement of significant accounting policies and other explanatory information, and the directors' declaration.

#### Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

My responsibility is to express an opinion on the financial report based on the audit. The audit was conducted in accordance with the *Auditor-General of Queensland Auditing Standards*, which incorporate the Australian Auditing Standards. Those standards require compliance with relevant ethical requirements relating to audit engagements and that the audit is planned and performed to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my audit opinion.

#### Independence

The *Auditor-General Act 2009* promotes the independence of the Auditor-General and all authorised auditors. The Auditor-General is the auditor of all Queensland public sector entities and can be removed only by Parliament.

The Auditor-General may conduct an audit in any way considered appropriate and is not subject to direction by any person about the way in which audit powers are to be exercised. The Auditor-General has for the purposes of conducting an audit, access to all documents and property and can report to Parliament matters which in the Auditor-General's opinion are significant.

In conducting the audit, the independence requirements of the *Corporations Act 2001* have been complied with. I confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Aboriginal Centre for the Performing Arts Pty Ltd, would be in the same terms if given to the directors as at the time of this auditor's report.

#### Opinion

In my opinion:

- (a) the financial report of Aboriginal Centre for the Performing Arts Pty Ltd is in accordance with the *Corporations Act 2001*, including:
  - (i) Giving a true and fair view of the company's financial position as at 30 June 2014 and of its performance for the year ended on that date.
  - (ii) Complying with Australian Accounting Standards and the *Corporations Regulations* 2001.
