

Question on Notice
No. 1469
Asked Thursday 21 October 2004

Mr Springborg asked the Minister for Employment, Training and Industrial Relations
(Mr Barton):

QUESTION:

For 2002-03, 2003-04 and 2004-05 (reported separately), will he provide (a) the number of enrolments with Registered Group Training Organisations, by region (reported separately), to receive apprenticeship and traineeship training, (b) of the total number of enrolments detailed in (a), how many enrolments have there been for each industry identified as experiencing skills shortages (reported separately for each industry) with Registered Group Training Organisations, by region (reported separately) and (c) of the total number of enrolments detailed in (a), how many enrolments have there been for each industry identified as new and emerging (reported separately for each industry) with Registered Group Training Organisations, by region (reported separately)?

ANSWER:

The number of enrolments of apprentices and trainees with registered group training companies for 2002/03 is attached.

Figures for 2003/04 and 2004/05 are not yet complete as data is impacted by significant time lags caused by delays in parties (employers, apprentices and registered training organisations) to the training contract lodging paperwork, and therefore cannot be provided at this time.

QON No. 1469 Response for (a)
