

**Question on Notice  
No. 1548  
Asked on 6 October 2005**

MR RICKUSS asked the Deputy Premier and Minister for Finance, Minister for State Development, Trade and Innovation (MS BLIGH) —

QUESTION:

With reference to the Export Pathways, Trade Show Savvy, Life's A Pitch, Ideas2Market Workshops and Financing Innovation Growth programs (reported separately) administered by the Department of State Development —

For 2001-02 and 2002-03 (reported separately), what was (a) the cost of each seminar and workshop or service provided (reported separately) and (b) each participant company?

ANSWER:

(1) The costs for the seminars and workshops to the Department of State Development, Trade and Innovation are as follows:

Seminar/Workshop	2001-02 (\$)	2002-03 (\$)
Export Pathways	No data available*	7,178
Trade Show Savvy	9,500	6,820
Life's a Pitch	14,177	33,886
Ideas2Market	0	45,920
Financing Innovation Growth	132,000	0**

Export Pathways and Trade Show Savvy have been delivered across the State by departmental staff and costs relate primarily to catering and venue hire. The other programs have been delivered by contractors engaged by the Department under contract.

**\*Note:** In this year, the Export Pathways workshops were not costed separately. A single allocation was made, by office, to the State Development Centres to run workshop programs. These programs were delivered by departmental officers on departmental premises and separate costs were not recorded for each program. However, they are believed to be relatively minor and relate primarily to catering and consumables. Attendance was recorded, however, and the attendees are included in the list below.

**\*\*Note:** The current round of the Financing Innovation Growth Program was conducted in 2004-05. No workshops were conducted in 2002-03 and 2003-04 due to tender processes, contractual negotiations and portfolio changes.

(2) The following companies participated in the workshops and seminars in 2001-02 and 2002-03.
