DR DOUGLAS asked the Minister for Transport and Multicultural Affairs (MS PALASZCZUK)

—

QUESTION:

Will the Minister advise the (a) number of registered mobility scooters in Queensland and (b) number of registered mobility scooter owners who also hold a disability permit?

ANSWER:

I thank the Member for Gaven for the question.

There were approximately 19 000 registered motorised wheelchairs as at the end of September 2011.

There are approximately 7 000 people who have a registered motorised wheelchair and also hold a Disability Parking Permit.
