MR WELLINGTON asked the Deputy Premier, Minister for State Development, Infrastructure and Planning (MR SEENEY) –

QUESTION:

With reference to the government's support for the Caloundra South development on the Sunshine Coast –

What are the government's latest anticipated costs of this development to the Sunshine Coast Regional Council and its ratepayers?

ANSWER:

I thank the Honourable Member for Nicklin for his question.

My department is continuing to work with Sunshine Coast Regional Council regarding the provision of infrastructure for Caloundra South.

Ongoing work in the preparation of an Infrastructure Agreement for Caloundra South will address any outstanding matters and ensure that the ratepayers of the Sunshine Coast bear no unreasonable costs.
