26B Principles applying to duties

(1) A person may have more than 1 duty because of the functions the person performs or is required to perform.

(2) More than 1 person can concurrently have a duty under this Law and each duty holder must comply with that duty to the standard required by this Law even if another duty holder has the same duty.

(3) If more than 1 person has a duty for the same matter, each person—

(a) retains responsibility for the person’s duty in relation to the matter; and

(b) must discharge the person’s duty to the extent to which the person—
(i) has the capacity to influence and control the matter; or
(ii) would have had that capacity but for an agreement or arrangement purporting to limit or remove that capacity.

A duty under this Law may not be transferred to another person.

Part 1A.2 Nature of duty

26C Primary duty

(1) Each party in the chain of responsibility for a heavy vehicle must ensure, so far as is reasonably practicable, the safety of the party’s transport activities relating to the vehicle.

(2) Without limiting subsection (1), each party must, so far as is reasonably practicable—

(a) eliminate public risks and, to the extent it is not reasonably practicable to eliminate public risks, minimise the public risks; and

(b) ensure the party’s conduct does not directly or indirectly cause or encourage—

(i) the driver of the heavy vehicle to contravene this Law; or

(ii) the driver of the heavy vehicle to exceed a speed limit applying to the driver; or

(iii) another person, including another party in the chain of responsibility, to contravene this Law.

(3) For subsection (2)(b), the party’s conduct includes, for example—
(a) the party asking, directing or requiring another person to do, or not do, something; and
(b) the party entering into a contract—
(i) with another person for the other person to do, or not do, something; or
(ii) that purports to annul, exclude, restrict or otherwise change the effect of this Law.

26D Duty of executive of legal entity

(1) If a legal entity has a duty under section 26C, an executive of the legal entity must exercise due diligence to ensure the legal entity complies with the duty.

Maximum penalty—the penalty for a contravention of the provision by an individual.

(2) The executive may be convicted of an offence against subsection (1) even if the legal entity has not been proceeded against for, or convicted of, an offence relating to the duty.

(3) In this section—

due diligence includes taking reasonable steps—
(a) to acquire, and keep up to date, knowledge about the safe conduct of transport activities; and
(b) to gain an understanding of—
(i) the nature of the legal entity’s transport activities; and
(ii) the hazards and risks, including the public risk, associated with those activities; and
(c) to ensure the legal entity has, and uses, appropriate resources to eliminate or minimise those hazards and risks; and

(d) to ensure the legal entity has, and implements, processes—

(i) to eliminate or minimise those hazards and risks; and

(ii) for receiving, considering, and responding in a timely way to, information about those hazards and risks and any incidents; and

(iii) for complying with the legal entity’s duty under section 26C; and

(e) to verify the resources and processes mentioned in paragraphs (c) and (d) are being provided, used and implemented.

executive, of a legal entity, means—

(a) for a corporation—an executive officer of the corporation; or

(b) for an unincorporated partnership—a partner in the partnership; or

(c) for an unincorporated body—a management member of the body.

legal entity means—

(a) a corporation; or

(b) an unincorporated partnership; or

(c) an unincorporated body.

26E Prohibited requests and contracts

(1) A person must not ask, direct or require (directly or indirectly) the driver of a heavy vehicle or a party in the chain of responsibility to do or not do
something the person knows, or ought reasonably to know, would have the effect of causing the driver—

(a) to exceed a speed limit applying to the driver; or

(b) to drive a fatigue-regulated heavy vehicle while impaired by fatigue; or

(c) to drive a fatigue-regulated heavy vehicle while in breach of the driver’s work and rest hours option; or

(d) to drive a fatigue-regulated heavy vehicle in breach of another law in order to avoid driving while impaired by fatigue or while in breach of the driver’s work and rest hours option.

Maximum penalty—$10000.

(2) A person must not enter into a contract with the driver of a heavy vehicle or a party in the chain of responsibility that the person knows, or ought reasonably to know, would have the effect of causing the driver, or would encourage the driver, or would encourage a party in the chain of responsibility to cause the driver—

(a) to exceed a speed limit applying to the driver; or

(b) to drive a fatigue-regulated heavy vehicle while impaired by fatigue; or

(c) to drive a fatigue-regulated heavy vehicle while in breach of the driver’s work and rest hours option; or
