5. REVIEW OF FORWARD OPERATIONS

5.1 LEGISLATIVE REVIEW

As part of the Legislative Review Program all Health Professional Acts will be reviewed. The Board will be a stake-holder in this process. It is understood that matters of commonality will be considered and also those specific matters relating to the profession will be addressed.

5.2 BOARD EXPENDITURE

With the establishment of the Queensland Nursing Council it is anticipated that in late 1993 the Nurses Registration Board of Queensland will cease to contribute to the running costs of the Office of the Board. This will certainly necessitate the Board to propose an increase in its main income source, annual licence fees.

5.3 RESTRUCTURE OF THE OFFICE OF THE BOARD

With the impending departure of the Nurses Registration Board of Queensland and the inadequate staffing of the Office of the Board, a submission to Executive Council is currently being prepared to restructure the Office of the Board.
