Dear Mr Laurie

I refer to Report No. 41 (the Report) of the Transport and Public Works Committee, tabled on 20 July 2020, which presents a summary of the Committee's inquiry into Transport Technology.

As the Government is currently in caretaker mode, the Government is unable to provide a substantive response to the Report at this time.

Therefore, in accordance with section 107 of the *Parliament of Queensland Act 2001*, I provide this letter as an interim response to the report. The Government's final response to the Report will be provided to the Legislative Assembly by 20 January 2021, as required by the Act.

In accordance with section 59A of the *Parliament of Queensland Act 2001* and Standing Order 31, I request that this document be tabled during the period that the Legislative Assembly is dissolved.

Yours sincerely
