

ANNUAL REPORT
OF
AIR WARRANT AND ALTERNATE TRAVEL
EXPENDITURE
BY
MEMBERS OF THE LEGISLATIVE ASSEMBLY
FOR THE PERIOD
1 JULY 2023 TO 30 JUNE 2024

Prepared pursuant to Section 2.3.4.3 of *The Members' Remuneration Handbook*

INTRODUCTION

Section 2.3.4 of the *Members' Remuneration Handbook* (Handbook) establishes that:

- Members representing certain regional electorates are provided with an allocation of 'Air Warrants' to facilitate commercial air travel from the Member's electorate to Brisbane and/or return;
- Members entitled to air warrants are also able to utilise 'alternate' travel options when commercial air travel options are unsuitable (e.g. using charter flights, private air travel or private vehicle – up to the value of commercial air travel costs that would otherwise have been incurred); and
- by 30 September each year the Clerk must provide an annual report to the Parliament which contains information regarding all expenditure incurred by each Member against their Air Warrant allocation (including claims for alternate travel).

PRESENTATION OF THE ANNUAL REPORT

Section 2.3.4.3 of the Handbook outlines the general format and presentation to be adopted for the annual report.

This annual report summarises expenditure for the period 1 July 2023 to 30 June 2024.

This report contains individual schedules of total travel expenses claimed by each Member eligible to receive Air Warrants.

CERTIFICATION BY THE MEMBER

Each Member is required to make a certification in this regard on their individual report schedule.

CERTIFICATION BY THE CLERK

The Clerk provides a certification on each individual Member's report.
