

Termination of Pregnancy (Live Births) Amendment Bill 2024

Statement of Compatibility

Prepared in accordance with Part 3 of the *Human Rights Act 2019*.

In accordance with section 38 of the Human Rights Act 2019, I, Robbie Katter, Member for Traeger, make this statement of compatibility with respect to the Termination of Pregnancy (Live Births) Amendment Bill 2024. In my opinion, the Termination of Pregnancy (Live Births) Amendment Bill 2024 does not contravene any human right listed under Part 2, Division 2 and 3 Human Rights Act 2019.

It does not restrict an individual's civil and political rights, such as freedom of movement, freedom of thought, freedom of expression, property rights, privacy and reputation or recognition and equality before the law.

In fact, it enhances compliance with the *Human Rights Act 2019* by stipulating full and equal human rights protection for all Queensland children born alive in the state.
