Dear Mr Laurie *Neil,*

I write in response to petition number 4311-25, tabled in Parliament on 16 October 2025, in relation to the Many Peaks Hospital building in the Upper Boyne Valley.

I thank the petitioners for bringing this matter to the attention of the Parliament.

It is recognised that the building is in a significant state of disrepair after the site was vacated over 20 years ago. The site is deemed surplus to Queensland Health's needs and there is no requirement to restore or maintain the building by the Department.

Notwithstanding the above, Queensland Health understands the Many Peaks Hospital building is of importance to the local community, and I am committed to ensuring that all possible options are explored thoroughly.

At present, Queensland Health is seeking advice on available courses of action. Once this information is received, I will work towards a solution with the Member for Callide.

Thank you for raising this matter with me and I trust this information is of assistance to the petitioners.

Yours sincerely

Tim Nicholls MP
Minister for Health and Ambulance Services
Member for Clayfield
