Introducing the Tourism Support Hub – Your Free Gateway to Government Support!

Are you a Far North Queensland tourism operator, industry representative, or part of a regional tourism organisation?

The Tourism Support Hub is here to make navigating government processes simple and stress-free so you can focus on creating amazing tourism experiences.

Every enquiry is assigned a dedicated Tourism Support Hub Officer who will:

- ✓ Be your main point of contact
- ✓ Provide clear guidance and regular updates
- ✓ Coordinate with the right department(s)
- ✓ Oversee your enquiry until it's fully resolved

Let's hope it works!
