Dear Mr Laurie

I refer to the State Development, Infrastructure and Works Committee (the Committee) *Report No. 13, 58th Parliament — Major Sports Facilities and Other Legislation Amendment Bill 2025* (the Report) which was tabled in the Legislative Assembly on 17 October 2025.

I want to thank the Committee for its consideration of the Major Sports Facilities and Other Legislation Amendment Bill 2025 (the Bill), including its three recommendations:

- Recommendation 1 – That the Bill be passed.
- Recommendation 2 – That the Department of Sport, Racing and Olympic and Paralympic Games (the Department) consult with the City of Gold Coast and other key stakeholders on any future amendments to the *Major Sports Facilities Regulation 2014* relating to the operation of special events at Carrara Stadium and Robina Stadium.
- Recommendation 3 – That the Department monitor the effectiveness of increased penalty provisions, including any enforcement or compliance challenges, to ensure that the amendments achieve their desired outcomes and remain fit for purpose.

As the Minister responsible for the Bill, I provide this letter as an Interim Response to the Report, in accordance with section 107 of the *Parliament of Queensland Act 2001* (the Act).

I advise that timing of the moving of the Second Reading for the Bill is still subject to confirmation. The final Government Response to the Report will be tabled in the Legislative Assembly as required by the Act.

In accordance with Standing Order 31, I request your assistance in tabling this letter in the Legislative Assembly today.

Yours sincerely

**The Honourable Tim Mander MP**  
Minister for Sport and Racing and  
Minister for the Olympic and Paralympic Games
