Mr Neil Laurie  
The Clerk of the Parliament  
Parliament House  
Cnr Alice and George Streets  
Brisbane Qld 4000

Dear Mr Laurie

I refer to petition numbers 1241-09, 1244-09, 1245-09, 1255-09 and 1258-09 lodged with the Legislative Assembly by Mr Peter Wellington MP, Member for Nicklin, on 3, 4, 17 and 18 June 2009, about the intersection of Nambour Connection Road and Blackall Street.

I share the community's concerns regarding the recent tragedy on the Nambour Connection Road. The Department of Transport and Main Roads investigates all fatalities on the state-controlled road network and the department will work closely with Queensland Police Service (QPS) during the investigation into this accident.

Departmental investigators will determine factors such as prevailing weather conditions, road design and visibility, while QPS will look at broader issues including driver behaviour. If departmental investigators establish that any road factors were involved, I will act to address this immediately.

I appreciate the concerns raised and assure you that the suggestions made by the community will be considered. I have met with Mr Peter Wellington MP, Member for Nicklin, as well as members of the community regarding this road and will meet again when the investigations conclude.

The department is progressing with the investigation as quickly as possible. However, a thorough investigation of all issues must be completed and will take time.

I will review the outcomes of both the QPS and the department's investigations before a decision is made. The department will provide the community with feedback at that time.

To address the community's immediate safety concerns, I have had the department lower the speed limit to 70km/h past this intersection, as an interim safety measure.

I trust this information is of assistance.

Yours sincerely

**Craig Wallace MP**
