Mr Neil Laurie
The Clerk of the Parliament
Parliament House
George Street
BRISBANE QLD 4000

Dear Mr Laurie

I refer to petition number 2906-18 lodged with the Legislative Assembly by Mr Steve Andrew MP, Member for Mirani, on 1 May 2018 about the intersection of Mackay Eungella Road and Hadley Street (access to and from the Marian Shopping Centre and service station).

The current configuration of the Mackay Eungella Road and Hadley Street intersection (left in and left out only) is considered appropriate for this location in regards to function and traffic volumes. Right-turn access to and from the Marian Shopping Centre and service station is possible from the Mackay Eungella Road and Marian Hampden Road intersection.

I am pleased to advise that the Palaszczuk Government has approved to upgrade this intersection. As a result, an upgrade of the Mackay Eungella Road and Marian Hampden Road intersection will occur under the Safer Roads Sooner program.

The upgrade will include the installation of traffic signals and enhanced signage, and some resurfacing works will also be undertaken. Main construction works are anticipated to commence in the 2019–20 financial year.

I trust this advice is of assistance.

Yours sincerely
