Dear Mr Laurie

I refer to a petition number 2646-16 lodged with the Legislative Assembly by Dr Christian Rowan MP, Member for Moggill on 11 October 2016, requesting a concrete footpath from Fairview Retirement Community to the shopping centre at 2643 Moggill Road, Pinjarra Hills.

The request for a footpath to connect the Fairview Retirement Community to the new Pullenvale Marketplace shopping centre is acknowledged. The Department of Transport and Main Roads understands and appreciates the request for a footpath at this location, however, due to the large number of competing projects of this type, all locations are prioritised to ensure available funding is allocated to those streets in most need of facilities such as footpaths.

Given the relatively low numbers of pedestrian movements in this area, I am advised by my department that action to construct a dedicated footpath could not currently be supported at this time.

I have asked the department to note this request for a footpath, and for it to be taken into consideration during any future upgrades or planning projects in this area.

Yours sincerely
