Dear Mr Laurie

I refer to petition 3237-19, lodged with the Legislative Assembly by Mr James Lister MP, Member for Southern Downs on 26 November 2019, about speed limits on the New England Highway, Allora.

I can advise that the Department of Transport and Main Roads (TMR) has recently conducted a speed limit review of the New England Highway at Allora. The results of that review and subsequent recommendations will now be taken to the local Speed Management Advisory Committee for consideration and endorsement. This committee consists of representatives from TMR, the Queensland Police Service and Southern Downs Regional Council.

If any changes are endorsed by the committee, such as changes to the posted speed limits, the location of speed zones or signage, they will be implemented by mid-2020.

I trust this information is of assistance.

Yours sincerely
