Dear Mr Laurie

Neil,

Thank you for your letter of 27 August 2020 regarding petition 3363-20: Ministerial Infrastructure Designation about the Yalingbila Bibula Whale Interpretive Centre, Point Lookout (the designation).

In summary, the petition requests the designation be repealed and purports that submissions were not sufficiently considered, the criteria for deciding a designation was not satisfied and that some of the designation requirements are not satisfactory.

I am satisfied the process for the environmental assessment and consultation, including considering the matters raised in submissions, for this designation occurred in accordance with the requirements of the *Planning Act 2016*. Consequently, I do not intend to repeal the designation.

I would like to thank the petitioners for raising this matter with me.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'Cameron Dick'.
