Mr Neil Laurie  
Clerk of the Parliament  
Queensland Parliamentary Service  
George Street  
BRISBANE QLD 4000

Dear Mr Laurie

I write in response to your letter regarding petition number 2877-18, tabled in Parliament on 2 May 2018, in relation to parking at the Prince Charles Hospital

I acknowledge the need for additional car parking capacity at The Prince Charles Hospital. On 27 April 2018, I announced that the Government, through the Metro North Hospital and Health Service, will build a new car park at The Prince Charles Hospital.

Metro North Hospital and Health Service will begin the preliminary planning and design of the car park as soon as possible.

I trust this information is of assistance to the petitioners.

Yours sincerely

**STEVEN MILES MP**  
**Minister for Health**  
**Minister for Ambulance Services**
