Mr Neil Laurie
Clerk of Parliament
Parliament House
George Street
BRISBANE QLD 4000

Dear Mr Laurie *Neil,*

I refer to Petition 2210-14 tabled in the Legislative Assembly on 22 May 2014 regarding the Kallangur State School's oval.

I acknowledge the concern of petitioners regarding the request to remove Kallangur State School land from the Partial Schools Disposals list.

The portion of land identified is a vacant lot across the road from the main school site and is currently used informally for staff and parent parking.

I am able to advise that, as proposed by the school and supported by both the Department of Education, Training and Employment and Mr Trevor Ruthenberg MP, Member for Kallangur, the sale of this portion of land is currently on hold while further consideration is made to improvements of the remaining land and facilities at the school.

I can assure you that the sale will not proceed unless a solution is identified that will be in the best interests of the school and the community.

I would like to thank the petitioners for raising this important matter with me.

Yours sincerely

John-Paul Langbroek
