

The Honourable Scott Emerson MP Minister for Transport and Main Roads

Our ref: PET 11112

Your ref: Petitions

2 6 JUN 2013

Mr Neil Laurie The Clerk of the Parliament Parliament House George Street Brisbane Qld 4000

Dear Mr Laurie Yei)

I refer to petition number 2127-13 lodged with the Legislative Assembly by Mrs Anne Maddern MP, Member for Maryborough on 4 June 2013 about installing flashing school signs and reduced speed limits at St Helens School, Maryborough.

I thank Mrs Maddern for representing the St Helens School community and bringing this important matter to my attention. The Queensland Government has developed a \$10 million program to install flashing school zone signs at over 300 risk assessed school zones over four years. These are being selected based on a detailed risk analysis of all school zones in Queensland as well as some school zones nominated by state members of Parliament. Priority has been given to school zones with a significant crash history, a high level of vehicle and pedestrian traffic, higher speed limits or visibility problems.

Flashing school zone signs are designed to assist with alerting motorists of a school zone in situations like St Helens School. I will shortly be deciding the schools to receive the flashing signs in 2013-14. Based on the risks around the school and the valuable local knowledge provided, I am sure the communities request will be considered favourably. As you would appreciate, St Helens School is on a local government road and negotiations with Fraser Coast Regional Council need to be undertaken before a final decision can be made. Fraser Coast Regional Council is also the responsible road authority for deciding the length of the speed zone and the speed limit.

Yours sincerely

Scott Emerson MP

Minister for Transport and Main Roads
