Dear [title surname]

I refer to the petition to the Honourable Speaker and Members of the Legislative Assembly of Queensland, tabled on [8 August / 11 October] 2006, requesting that the House remove the investigation area at Bridges from the *South East Queensland Regional Plan 2005-2026* (the Regional Plan).

Investigation Area sites like that at Bridges cannot simply be removed from the Regional Plan. The Regional Plan outlines a clear process for resolving the future of Investigation Areas. A series of eight criteria must be satisfied before any urban development can take place in an Investigation Area. If these criteria can be satisfied and development is considered, amendments to the Regional Plan and the local planning scheme would be required, both of which would require full consultation with the local community. In the event these criteria can not be satisfied, the Investigation Area will be included in the "Regional Landscape and Rural Production Area" regional land use category.

I encourage you and your fellow petitioners to remain involved in the investigations through the ongoing consultation process.

Yours sincerely

Anna Bligh MP

Treasurer and
Minister for Infrastructure
