|     | <i>omit, insert—</i>                                    | 7 |
|     | whose membership is provided for in                     | 8 |

- |                 |                                                                        |         |
|-----------------|------------------------------------------------------------------------|---------|
| <b>Clause 4</b> | <b>Amendment of s 10 (Works which trust may undertake or maintain)</b> | 9<br>10 |
| (1)             | Section 10(1)(a), after ‘Act’—                                         | 11      |
|                 | <i>insert—</i>                                                         | 12      |
|                 | , other than works the chief executive directs the trust               | 13      |
|                 | not to undertake or maintain                                           | 14      |
| (2)             | Section 10(1)(b)—                                                      | 15      |
|                 | <i>omit, insert—</i>                                                   | 16      |
|                 | (b) must undertake or maintain any works the                           | 17      |
|                 | chief executive directs the trust to undertake                         | 18      |
|                 | or maintain for the purpose of achieving the                           | 19      |
|                 | object of this Act; and                                                | 20      |
|                 | (c) must comply with any direction the chief                           | 21      |
|                 | executive gives the trust about the                                    | 22      |
|                 | undertaking or maintenance of works under                              | 23      |
|                 | paragraph (a) or (b).                                                  | 24      |
| (3)             | Section 10(3), ‘, subject to the direction or approval of the          | 25      |
|                 | chief executive,’—                                                     | 26      |
|                 | <i>omit.</i>                                                           | 27      |
| (4)             | Section 10(4), ‘The trust’—                                            | 28      |
|                 | <i>omit, insert—</i>                                                   | 29      |

|                 |                                                         |    |
|-----------------|---------------------------------------------------------|----|
|                 | Without limiting section 7(2), the trust                | 1  |
| <b>Clause 5</b> | <b>Insertion of new pt 9</b>                            | 2  |
|                 | After section 23—                                       | 3  |
|                 | <i>insert—</i>                                          | 4  |
|                 | <b>Part 9</b>                                           | 5  |
|                 | <b>Transitional provision</b>                           | 6  |
|                 | <b>for Water Legislation</b>                            | 7  |
|                 | <b>Amendment Act 2015</b>                               |    |
|                 | <b>24 Continuance of areas and trusts</b>               | 8  |
|                 | (1) To remove any doubt, it is declared that each       | 9  |
|                 | relevant area, and the trust for each relevant area,    | 10 |
|                 | continued in existence under this Act on and after      | 11 |
|                 | 19 December 2014.                                       | 12 |
|                 | (2) For the appointment by the Minister, before the     | 13 |
|                 | commencement, of a person to the membership             | 14 |
|                 | of the trust for a relevant area, section 5(1)(b) is    | 15 |
|                 | taken never to have required the number of              | 16 |
|                 | persons to be appointed to be as stated in a            | 17 |
|                 | regulation.                                             | 18 |
|                 | (3) If a provision of this Act applies to a member of a | 19 |
|                 | trust as having been appointed under section            | 20 |
|                 | 5(1)(a) or under section 5(1)(b), the reference to      | 21 |
|                 | either provision is taken to be a reference to the      | 22 |
|                 | provision as in force when the person was               | 23 |
|                 | appointed to the trust.                                 | 24 |
|                 | (4) In this section—                                    | 25 |
|                 | <i>relevant area</i> means a river improvement area,    | 26 |
|                 | including the Burdekin Shire Rivers                     | 27 |
|                 | Improvement Area, in existence under this Act as        | 28 |
|                 | a river improvement area immediately before 19          | 29 |
|                 | December 2014.                                          | 30 |

[s 8]

---

- (c) the actions of the authority, its office holders, employees and agents since its formation on 16 December 2005 as confirmed and validated under this section. 1  
2  
3  
4
  - (2) It is declared that the formation of the Lower Herbert Water Management Authority is confirmed and is as valid as it would be if the *Water and Other Legislation Amendment Regulation (No. 1) 2005* SL No. 334 had provided as follows— 5  
6  
7  
8  
9  
10
    - (a) the following water authorities (collectively the ***former authorities***) are amalgamated to form a new water authority— 11  
12  
13
      - (i) Foresthome Drainage Board; 14
      - (ii) Loder Creek Drainage Board; 15
      - (iii) Mandam Drainage Board; 16
      - (iv) Ripple Creek Drainage Board; 17
    - (b) the authority areas of the former authorities are dissolved; 18  
19
    - (c) the former authorities are dissolved; 20
    - (d) the new water authority formed on the amalgamation of the former authorities is named the Lower Herbert Water Management Authority; 21  
22  
23  
24
    - (e) the authority area of the Lower Herbert Water Management Authority is shown on plan AP4064. 25  
26  
27
  - (3) Without limiting subsection (2), it is declared that the actions of the Lower Herbert Water Management Authority and the appointment, employment, engagement and actions of its office holders, employees and agents are confirmed and are as valid as they would be if the *Water and Other Legislation Amendment Regulation (No. 1)* 28

- |                                                                                                                                                                                                                                                                                        |                                    |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------|
| (b) allows for the allocation and use of water resources and quarry material for the economic, physical and social wellbeing of the people of Queensland, within limits that can be sustained indefinitely; and                                                                        | 1<br>2<br>3<br>4<br>5              |
| (c) sustains the health of ecosystems, water quality, water-dependent ecological processes and biological diversity associated with watercourses, lakes, springs, aquifers and other natural water systems, including, where practicable, reversing degradation that has occurred; and | 6<br>7<br>8<br>9<br>10<br>11<br>12 |
| (d) recognises the interests of Aboriginal people and Torres Strait Islanders and their connection with water resources; and                                                                                                                                                           | 13<br>14<br>15                     |
| (e) enables water resources and quarry material to be obtained through fair, transparent and orderly processes to support the economic development of Queensland; and                                                                                                                  | 16<br>17<br>18<br>19               |
| (f) builds confidence regarding the availability, security and value of water entitlements and other authorisations; and                                                                                                                                                               | 20<br>21<br>22                     |
| (g) promotes the efficient use of water through—                                                                                                                                                                                                                                       | 23<br>24                           |
| (i) the establishment and operation of water markets; or                                                                                                                                                                                                                               | 25<br>26                           |
| (ii) the initial allocation of water; or                                                                                                                                                                                                                                               | 27                                 |
| (iii) the regulation of water use if there is a risk of land or water degradation; or                                                                                                                                                                                                  | 28<br>29                           |
| (iv) increasing community understanding of the need to use and manage water in a sustainable way; and                                                                                                                                                                                  | 30<br>31<br>32                     |
| (h) facilitates the community taking an active part in planning for the management and allocation of water.                                                                                                                                                                            | 33<br>34<br>35                     |

- |      |                                                         |    |
|------|---------------------------------------------------------|----|
|      | deal with the same subject matter as the                | 1  |
|      | rules under the water plan.                             | 2  |
| (5)  | The rules under the water plan replace the rules        | 3  |
|      | in the operations manual for the water supply           | 4  |
|      | scheme.                                                 | 5  |
| (6)  | Subsection (7) applies if there are provisions in       | 6  |
|      | the water plan of the type mentioned in section         | 7  |
|      | 1260, immediately after the commencement of             | 8  |
|      | that section, relevant to a water supply scheme.        | 9  |
| (7)  | The provisions in the water plan are taken to be        | 10 |
|      | included in the resource operations licence             | 11 |
|      | relevant to the water supply scheme.                    | 12 |
| (8)  | Subsection (9) applies if provisions under a            | 13 |
|      | resource operations plan relevant to the water          | 14 |
|      | supply scheme—                                          | 15 |
|      | (a) are taken to be included in a resource              | 16 |
|      | operations licence under section 1259(2)(a);            | 17 |
|      | and                                                     | 18 |
|      | (b) the provisions that were in the resource            | 19 |
|      | operations plan that are now taken to be                | 20 |
|      | included in the resource operations licence             | 21 |
|      | deal with the same subject matter as the                | 22 |
|      | rules under the water plan.                             | 23 |
| (9)  | The provisions under the water plan replace the         | 24 |
|      | provisions in the resource operations licence for       | 25 |
|      | the water supply scheme.                                | 26 |
| (10) | For the water plan, section 63, nothing in this         | 27 |
|      | section has the effect of requiring the amendment       | 28 |
|      | or subdivision of the Burnett Water allocations in      | 29 |
|      | the way mentioned in the water plan, section 63.        | 30 |
| (18) | Section 201, inserted section 1268(3), after ‘licence’— | 31 |
|      | <i>insert—</i>                                          | 32 |
|      | if section 1272 applies to the application              | 33 |
| (19) | Section 201, inserted section 1276—                     | 34 |
