02 DEC 2024

Mr Neil Laurie
The Clerk of the Parliament
Parliament House
George Street
BRISBANE QLD 4000

Dear Mr Laurie *Neil*

I refer to the interim response to petition 4147-24, about upgrading the Bruce Highway between Curra and the planned Tiaro Bypass by the former Minister for Transport and Main Roads and Minister for Digital Services, Mr Bart Mellish MP, which was tabled on 10 October 2024.

On 1 November 2024, I was appointed as Minister for Transport and Main Roads and, as such, I now provide a final response to this petition.

The Crisafulli Government understands the important role the Bruce Highway plays for Queensland. That is why we are fighting hard for the Federal Government to reinstate the 80:20 funding arrangements that previously existed but were removed by the Albanese Government. Simply put, 80:20 funding means we can do more, such as upgrades between Curra and Maryborough.

The Crisafulli Government has also committed to reinstating the Bruce Highway Advisory Council to guide future investment in the highway and help advocate for our fair share of Federal Government funding.

In the meantime, the Department of Transport and Main Roads will continue to deliver targeted intersection improvements, safety treatments, reseal programs and pavement improvements at high priority locations along the highway between Curra and Maryborough, as well as carry out regular inspections and maintenance works.

I trust this information is of assistance.

Yours sincerely

BRENT MICKELBERG MP
Minister for Transport and Main Roads
