Dear Mr ~~Laurie~~ ^{Neil}

I refer to petition 4220-25, lodged with the Legislative Assembly on 24 June 2025 about heavy vehicles using the rail bridge near Redbank train station.

While the rail bridge on Brisbane Road over the rail line at Redbank is the responsibility of Queensland Rail, I am advised this road is not an approved B-double route. Therefore, this is a heavy vehicle compliance and enforcement matter that falls within the regulatory purview of the National Heavy Vehicle Regulator.

As such, I encourage the principal petitioner, Mr Anthony Byrne, to contact the National Heavy Vehicle Regulator by telephone on 13 64 87 or by email at info@nhvr.gov.au.

I trust this information is of assistance.

Yours sincerely

BRENT MICKELBERG MP
Minister for Transport and Main Roads
