Dear Mr Laurie

I refer to your correspondence of 29 August 2025 regarding Petition 4226-25 received by the Queensland Legislative Assembly on 26 August 2025.

I appreciate the petitioners' concerns and while I have noted this petition, it does not outline why the petitioners would like to ban the use of and sale of dash cams in Queensland. Consequently, it is difficult for me to be able to respond to it. If the petitioners would like to petition the Parliament further and include more information about their concerns on this matter, then the Government would be better placed to be able to provide a more appropriate response.

I trust this information is of assistance. Should your office require further information, Ms Bianca Stone, Chief of Staff, is available on (07) 3719 7150.

Yours sincerely

Dan Purdie MP
Minister for Police and Emergency Services
