Dear Mr Laurie

I refer to petition 4201-25, tabled in the Queensland Legislative Assembly on 26 August 2025, about building a new city in Upper Dawson, trainline and aqueduct.

The Crisafulli Government has committed to reviewing all regional plans, alongside infrastructure plans, in this term of Government.

This includes the Central West Queensland, Central Queensland, South West Queensland, Maranoa-Balonne, and Darling Downs regional plans. The scope of these regional plans will be focused on housing and economic growth and will consider appropriate policy aligned to continued economic prosperity of the regions.

The infrastructure needs of the region encompassing Upper Dawson will be considered through consultation on the draft Regional Infrastructure Plans in line with the priorities identified in the draft Regional Plans.

I would like to thank the petitioners for raising this matter and I trust this information is of assistance.

If you require any further information regarding this matter, please contact my Chief of Staff, Mr Nathan Ruhle, by email at deputy.premier@ministerial.qld.gov.au or by telephone on (07) 3719 7100.

Yours sincerely

JARROD BLEIJIE MP
DEPUTY PREMIER
Minister for State Development, Infrastructure and Planning
Minister for Industrial Relations
