Dear Mr Laurie

I write in response to petition number 4367-26, tabled in Parliament on 10 February 2026, in relation to the *Report into experiences of treatment and care at Wolston Park Hospital, 1950 to 2000*.

Firstly, I'd like to acknowledge the experiences of those who participated in this process, and the former patients, families and carers of the Wolston Park Hospital.

I appreciate the advocacy of former patients, families and carers of the Wolston Park Hospital whose experiences have contributed to this important work.

I have asked Queensland Health to undertake work to commission a public memorial relating to the former patients and families of the Wolston Park Hospital, which will provide an opportunity for Queenslanders to acknowledge and learn from the past experiences at the Wolston Park Hospital. Thank you for raising this important matter with me and I trust this information is of assistance to the petitioners.

Yours sincerely

**Tim Nicholls MP**
