Mr Neil Laurie
The Clerk of the Parliament
Parliament House
George Street
BRISBANE QLD 4000

Dear Mr ~~Laurie~~ ^{Neil}

I refer to petitions 4293-25 and 4416-26, lodged with the Legislative Assembly on 11 February 2026, requesting extension of Translink bus routes that service Sea World to the northern part of The Spit.

The Crisafulli Government is committed to providing reliable, affordable and frequent public transport for Queenslanders. We are often finding that, during a decade of decline, the former Labor Government failed to deliver adequate public transport services for communities across Queensland.

We are currently delivering major public transport upgrades on the Gold Coast to support its growing population, including the introduction of Hope Island and Merrimac stations, and the extension of Gold Coast Light Rail Stage 3.

The Crisafulli Government understands the importance of public transport for the Gold Coast community—serving both local residents as well as many visitors who enjoy the unique recreational experiences offered on the Gold Coast.

I am committed to working closely with the Honourable John-Paul Langbroek MP, Minister for Education and the Arts and Member for Surfers Paradise, to identify opportunities for future public transport service improvements on the Gold Coast.

I hope this information is of assistance.

Yours sincerely

BRENT MICKELBERG MP
Minister for Transport and Main Roads
