Chapter 12, part 1—

**Part 1 Authorised persons
and enforcement**

Division 1 Power to enter

Subdivision 1 General powers of entry

518 Powers of entry

- (1) For performing functions under this Act, an authorised person may at any time enter a place that is, or that the authorised person reasonably suspects is, a workplace.
- (2) An entry may be made under subsection (1) with, or without, the consent of the person with management or control of the workplace.
- (3) If an authorised person enters a place under subsection (1) and it is not a workplace, the authorised person must leave the place immediately.
- (4) An authorised person may enter any place if the entry is authorised by a search warrant.

519 Notification of entry

- (1) An authorised person may enter a place under section 518 without prior notice to any person.
- (2) An authorised person must, as soon as practicable after entry to a workplace or suspected workplace, take all reasonable steps to notify the following persons of the entry and the purpose of the entry—
 - (a) the person conducting a relevant business or undertaking at the workplace;
 - (b) the person with management or control of the workplace.
- (3) However, an authorised person is not required to notify any person if to do so would defeat the purpose for which the place was entered or cause unreasonable delay.
- (4) In this section—

relevant business or undertaking means a business or undertaking in relation to which the authorised person is exercising the power of entry.

520 Persons assisting authorised persons

- (1) A person (the *assistant*), including an interpreter, may accompany an authorised person entering a place under section 518 to assist the authorised person if the authorised person considers the assistance is necessary.
- (2) The assistant—
 - (a) may do the things at the place, and in the way, that the authorised person reasonably requires to assist the authorised person to exercise the authorised person's powers under this part; but

- (b) must not do anything that the authorised person does not have power to do, except as permitted under a search warrant.
- (3) Anything done lawfully by the assistant is taken for all purposes to have been done by the authorised person.

Subdivision 2 Search warrants

521 Search warrants

- (1) An authorised person may apply to a magistrate for a search warrant for a place.
- (2) The application must be sworn and state the grounds on which the warrant is sought.
- (3) The magistrate may refuse to consider the application until the authorised person gives the magistrate all the information the magistrate requires about the application in the way the magistrate requires.

Example—

The magistrate may require additional information supporting the application to be given by statutory declaration.

- (4) The magistrate may issue a search warrant only if the magistrate is satisfied there are reasonable grounds for suspecting—
 - (a) there is a particular thing or activity (the *evidence*) that may provide evidence of an offence against this Act; and
 - (b) the evidence is, or may be within the next 72 hours, at the place.
- (5) The search warrant must state—

- (a) that a stated authorised person may, with necessary and reasonable help and force, enter the place and exercise the authorised person's powers under this part; and
- (b) the offence for which the search warrant is sought; and
- (c) the evidence that may be seized under the search warrant; and
- (d) the hours of the day or night when the place may be entered; and
- (e) the date, within 7 days after the search warrant's issue, the search warrant ends.

522 Electronic application

- (1) An application under section 521 may be made by phone, fax, email, radio, videoconferencing or another form of electronic communication if the authorised person reasonably considers it necessary because of—
 - (a) urgent circumstances; or
 - (b) other special circumstances, including, for example, the authorised person's remote location.
- (2) The application—
 - (a) may not be made before the authorised person prepares a written application under section 521(2); but
 - (b) may be made before the application is sworn.
- (3) The magistrate may issue the search warrant (the *original warrant*) only if the magistrate is satisfied—

- (a) it was necessary to make the application under this section; and
 - (b) the way the application was made was appropriate.
- (4) After the magistrate issues the original warrant—
- (a) if there is a reasonably practicable way of immediately giving a copy of the warrant to the authorised person, including, for example, by sending a copy by fax or email, the magistrate must immediately give a copy of the warrant to the authorised person; or
 - (b) otherwise—
 - (i) the magistrate must tell the authorised person the information mentioned in section 521(5); and
 - (ii) the authorised person must complete a form of warrant, including by writing on it the information mentioned in section 521(5) provided by the magistrate.
- (5) The copy of the original warrant mentioned in subsection (4)(a), or the form of warrant completed under subsection (4)(b) (in either case the *duplicate warrant*), is a duplicate of, and as effectual as, the original warrant.
- (6) The authorised person must, at the first reasonable opportunity, send to the magistrate—
- (a) the written application complying with section 521(2); and
 - (b) if the authorised person completed a form of warrant under subsection (4)(b)—the completed form of warrant.

- (7) The magistrate must keep the original warrant and, on receiving the documents under subsection (6)—
 - (a) attach the documents to the original warrant; and
 - (b) give the original warrant and documents to the clerk of the court of the Magistrates Court.
- (8) Despite subsection (5), if—
 - (a) an issue arises in a proceeding about whether an exercise of a power was authorised by a search warrant issued under this section; and
 - (b) the original warrant is not produced in evidence;

the onus of proof is on the person relying on the lawfulness of the exercise of the power to prove a search warrant authorised the exercise of the power.
- (9) This section does not limit section 521.

523 Entry procedure

- (1) This section applies if an authorised person is intending to enter a place under a search warrant issued under this subdivision.
- (2) Before executing a search warrant, the authorised person named in the warrant or an assistant to the authorised person must do or make a reasonable attempt to do the following things—
 - (a) identify himself or herself to a person who is an occupier of the place and is present by producing the authorised person's identity

- card or another document evidencing the authorised person's appointment;
- (b) give the person a copy of the warrant;
 - (c) tell the person the authorised officer is authorised by the warrant to enter the place;
 - (d) give any person at the place an opportunity to allow the authorised person immediate entry without using force.
- (3) However, the authorised person or an assistant to the authorised person is not required to comply with subsection (1) if he or she reasonably believes that immediate entry to the place is needed to ensure—
- (a) the safety of any person; or
 - (b) that the effective execution of the search warrant is not frustrated.

524 Copy of search warrant to be given to person with management or control of place

- (1) If the person who has or appears to have management or control of a place is present at the place when a search warrant is being executed, the authorised person must—
- (a) identify himself or herself to that person by producing his or her identity card for inspection; and
 - (b) give that person a copy of the execution copy of the warrant.
- (2) In this section—
- execution copy* includes a duplicate warrant mentioned in section 522(5).

Subdivision 3 Limitation on entry powers

525 Places used for residential purposes

Despite anything else in this part, the powers of an authorised person under this part in relation to entering a place are not exercisable in relation to any part of a place that is used only for residential purposes except—

- (a) with the consent of the person with management or control of the place; or
- (b) under the authority conferred by a search warrant; or
- (c) for the purpose only of gaining access to a suspected workplace, but only—
 - (i) if the authorised person reasonably believes that no reasonable alternative access is available; and
 - (ii) at a reasonable time having regard to the times at which the authorised person believes work is being carried out at the place to which access is sought.

- (2) When making the help requirement, the authorised person must give the person an offence warning for the requirement.

528 Offence to contravene help requirement

- (1) A person of whom a help requirement under section 527 has been made must comply with the requirement unless the person has a reasonable excuse.

requirement is required to be held or kept by the person under this Act.

Subdivision 2 Seizure

position and in a reasonably secure way at the place of seizure.

- (3) The receipt must describe generally each thing seized and its condition.
- (4) This section does not apply to a thing if it is impracticable or would be unreasonable, given the thing's nature, condition and value, to give the receipt required by this section.

531 Access to seized thing

- (1) Until a thing seized under this subdivision is returned, the authorised person who seized the thing must allow an owner of the thing—
 - (a) to inspect it at any reasonable time and from time to time; and

- (2) Despite subsection (1), if the thing was seized as evidence, the authorised person must return the thing seized to an owner as soon as practicable after the authorised person is satisfied—
 - (a) its continued retention as evidence is no longer necessary; and

- (5) The person must comply with the requirement, unless the person has a reasonable excuse.
- Maximum penalty—100 penalty units.
