**Lifts and accessibility in the Parliamentary Annexe Building**

Visitors to the Parliamentary Annexe will experience some limitations to access around the building while lift upgrades are being undertaken to improve public access. Until May 2019 lift access for visitors to the Parliamentary Annexe will be reserved for visitors with mobility issues. Please advise security staff upon arrival of mobility issues and appropriate arrangements will be made. Other visitors can access public areas of the Annexe by using the stairwell next to the lifts being upgraded. We apologise for any inconvenience.

Access for members of the public wishing to view Legislative Assembly proceedings from the public gallery will continue to be via the front of Parliament House (the George Street entrance) during sitting weeks and is unaffected by the lift upgrade.
