The Functions of the Parliament in Action - work sheet

Using a straight line, match each of the “Functions of the Queensland Parliament” to one of the examples of those functions.

1. To represent the citizens of Queensland
2. To provide the Government of the day
3. To make laws
4. To grant money to the Government to govern
5. To question the Government about its policies and actions
6. To discuss and debate important matters concerning the people of Queensland

On Tuesday, the Member for Bunton will speak in Parliament about vandalism in schools. Five other Members will also speak about this matter.

All students must attend school until the age of 15

I am the Member for Primrose. I am here to represent all the people in my electorate.

In Question Time, the Member for Littleton asked the Government why licences for duck farming had risen so dramatically. The people wanted to know!

The 2019 election results show that the Busy-Bee party won 52 of the 93 seats in the Queensland Parliament.

The Queensland Government will be spending $2.3 million on a new hospital in Sunnyville.
