*The Index from each volume of Hansard corresponds with a Parliamentary Session.

This document contains a list of page numbers of the daily proceedings for the Legislative Council and Legislative Assembly as printed in the corresponding Hansard volume.

A list of page numbers at the start of each printed index is provided to allow the reader to find the electronic copy in the online calendar by clicking on the date of the proceedings and then to a link to the pdf.

Therefore the table of page numbers and dates of proceedings allows the pagination in each Index to be matched with the date and the particular Legislative Chamber.
