*The Index from each volume of Hansard corresponds with a Parliamentary Session.

This document contains a list of page numbers of the daily proceedings for the Legislative Council and Legislative Assembly as printed in the corresponding Hansard volume.

A list of page numbers at the start of each printed index is provided to allow the reader to find the electronic copy in the online calendar by clicking on the date of the proceedings and then to a link to the pdf.

Therefore the table of page numbers and dates of proceedings allows the pagination in each Index to be matched with the date and the particular Legislative Chamber.

RESIGNATION OF MINISTRY DURING THE SESSION, AND CONTINUANCE IN OFFICE.

On the 7th June, Mr. J. C. Chirn (Bunbarra), during the debate on the Address in Reply, moved an amendment expressive of want of confidence in the Government. On division (22nd June) the amendment was defeated by one vote, every member of the House being present.

When the House met on the 26th June, the Premier announced that in consequence of the state of parties disclosed by the division, he had tendered to the Governor certain advice. His Excellency had not, however, seen fit to accept such advice; and he had thereupon tendered the resignation of himself and colleagues in the administration of their several offices in the Government. These resignations had been accepted by the Governor, who had requested Ministers to hold office until their successors had been appointed.

On the 5th July, the Hon. Sir Arthur Rutledge (Mervaux) informed the House that he had been commissioned by His Excellency the Governor to form an Administration; and on the 7th July, that he had surrendered to His Excellency the commission with which he had been entrusted.

On the 12th July, the Premier informed the House that, by request, he had again waited on the Governor, and again urged upon His Excellency the advice he had previously tendered; and had since received from the Governor a formal intimation that he had accepted the advice, and a request that Ministers would continue in office as his responsible advisers. This they had consented to do.

[Parliament was prorogued 16th July, and dissolved, for the purposes of a general election, on 21st July.]
