Forget Redland's diabolical roads. It's 'ships ahoy' with the one-eyed wreck hunter ! #byoParrot

This comic hits close to home. sKim and Shirty Shovel.

# SKIMMY & THE SHIRTY SHOVEL

There once was a shovel as clean as a whistle.

it wanted to dig but looked artificial.

With skim as a polly, hands never got dirty.

So like any shovel, you'd eventually get shirty.

Said shovel to skimmy, "I hate looking lovely!"

My friends all dig roads, and they're dirty and muddy."

"In Redlands, our roads are so far from healthy.

But you only grab me for regular selfies."

Said skimmy to shovel, "Roads are money to build!"

Its way more important my hampers are filled."

"Jobkeeper for you, and stop being sad.

There's always the bus stop if traffic gets bad."

Is it fair to call another MP a liar? I'd never do that. But I point out that twice in two weeks Kim Richards Member for Redlands faked an apology to avoid fronting a meeting. Turns out the excuse was complete BS. [#RespectForRedlands](#)

Andrew Laming you are a creep. You represent all that is the LNP and nothing that is the Redlands. You incite hatred and division, take a good hard look at yourself. Do better, Be better! [#ThisIsTheLNP](#)

I'm publicly appealing to Kim Richards MP. You get a salary funded by taxpayers. So why when taxpayers try to tag you, did you deactivate your tag last week.

6pm Valentines Day. @KimRichardsMP left her office with FOUR people. Of course deliberations are confidential, but I am publicly asking Kim to identify who she met with and left with?

Andrew Laming 📍 recommends Hog's Breath Cafe (Cleveland, Queensland).

Where were you exactly a week ago at 6pm on Valentines Day? I was at Hoggies Cleveland. So when @LanceHewlett and @KimRichards left her State MP's Lakeside office, walked passed Uncle Bob's and turned left, who were the THREE people with them and why? Please ask Kim. \$100 donation to your chosen charity if she provides-(photo for display only)

Don't you just hate it when the dead cat you threw on the table to distract from an earlier crisis turns out to be alive and wearing an LNP name tag? #scottymustgo

I am just so happy this is all coming out. 😊  
We have suffered this vile fool so long here.

I like to keep it fresh. I have 37 pages, about 50 threads running and basically answer everything, then I need to revitalise.

Most awkward thing ever. Kim Richards with no reason to be in a kids' park, escorted around by the Hewletts, desperate to talk to anyone. In case you are wondering - its's a Council-contracted, developer-funded facility. Now Kim, please duplicate the terrible single-lane road in the background. That's your job.
